#### THE NEW LEARNS FROM THE OLD

some things, but old mechanics come to the new ones to learn the secrets of perfect welding. A good New Year resolve would be to pledge yourself to have us do all your welding this coming year, and save yourself much money, time and effort. Make this year a welding year.

#### Another Great Advantage

women find in using Crisco for frying purposes, is that it does not smoke, and it leaves no odor of cooking fats around the house. Crisco is used with remarkable results in pastry and cake making. For flaky and digestible pastry, for wholesome digestible fried foods, for delicious cakes which stay fresh longer, there is nothing like Crisco. If your grocery store does not keep Crisco, phone Gerald S. Doyle, Distributor, who will tell you the nearest place to get it. Crisco is sold in one pound cans, and is cheaper than butter for you use one fifth less. mar28,3t
