Final Game of League Season
a Burlesque of National
Pastime

Before an enormous crowd which packed the press box and three seats in the bleachers, the curtain was rung down on the regular season of the Western Canada League Saturday night. The game was a burlesque. The score board showed that the Boosters had won the so-called contest by the score of 5 to 4. The teams were switched around after the first innings. Jack Roche and Pete Standridge traded places as catcher and pitcher respectively, while the outfielders traded places with the infielders in the last inning. Finally, to make the burlesque even more complete, one of the scorers took up the mound duties. With all due respect to the other twirlers on the staff, this man, who had been evoked by the scouts all season, shows up the regular men as a bad light. He assumed mound duties when the bases were drunk and retired the side on two pitched balls. Before he got his coat of arms caught in the act of stealing, then he heaved a wide one at the plate. The next ball was a slider, and Lew Reddick only succeeded in laying down an easy one to the first baseman. Retiring a side on two pitched balls is a record which will stand in the annals of baseball for some time to come.

There was one feature of the evening contest, however, which did amount to something. It was the fact that the Boosters pushed Red Deer down to the cellar and allowed the Boosters to climb up to the place one from the bottom.

But in the anxiety to tell of the remarkable performance of the Boosters' new twirler, we forgot to mention that there was also a game won by the Boosters by the score of 4 to 1. It was a pitcher's duel between Jim Kavanagh and Snapper Naverson, in which the latter had all the better of the argument except the score, which is appended.

YANKEE CRICKETERS WON EASY VICTORY FROM CANADIANS

Philadelphia, Sept. 7.—The United States defeated Canada in the 48th international match between the two countries at the Germantown Cricket Club, Manheim, today by the margin of eight wickets. At one time it seemed probable that the United States would win in a single inning, but the Canadian "all" waggled merrily, and set the representatives of the stars and stripes 45 runs in order to win. The United States and Canada, as the record now stands:
United States 27, Canada 13, and three drawn games.

THIS WAS GOING SOME

Manchester, Eng., Sept. 7.—Jack Donaldson, of South Africa, world's champion professional sprinter, today defeated A. B. Foster, of New Zealand, and R. E. Walker, of South Africa, in a 100-yard dash for \$250. Donaldson won by one and one-half yards with 10 seconds to go. The official time as recorded was two and one-half yards inside of ten seconds.
