roved better sailors. However, before

orning, all sickness had passed away

-along with sundry suppers. A capital oncert was provided by a colored sex-

breakfast. Appetites had been sharpened by the lake breezes.

Mr. H. A. Everett, president of the London Street Railway Company, met

the visitors here and initiated the en-

tertainment programme by announcing

a special car for Painesville. Paines ville is a handsome town of 6,000 people

0 miles east of Cleveland, with which

is connected by one of the fastest lectric lines on the continent. Mr.

Everett has a controlling interest in he road, and accompanied the party

he entire distance, pointing out the

rolley ride will be fresh in the memory of the visitors for a long time. The

scheduled time between the city limits

and Painesville is twenty miles an

hour, but yesterday the special had right of way. The motorman pushed

his lever out to the last notch, and the car flew along at the rate of over 30 miles an hour. The man who had

string on his hat was envied of the

save it from an aerial flight. They tra-

ersed the handsome east end of Cleve

and, including Euclid avenue, the

abode of the millionaires; and after a

ten-mile run in the city proper, passed into a growing suburban district, and

then into the open country through

es of vineyards and rich farm lands.

nt and the office in which received his campaign returns the

hight of his election. At the pretty own of Willoughby, twenty miles out,

Superintendent Frost, of the electric railway company, boarded the car, and

Arrived at Painesville, the visitors

took dinner at the Parmely House, as the guests of Mr. Everett, who, with

he mayor, sat at the head of the table

After a capital repast, the mayor in a few words expressed the sentiments

of all by proposing the health of the

said, there could be no impropriety in accepting Mr. Everett's hospitality,

which had been so bountiful and en-joyable. On behalf of the guests, the

mayor then presented Mr. Everett with an illustrated history of London.

The toast was honored by three cheers, and the singing of "He's a Jolly

Good Fellow." In reply, Mr. Everett said he hoped that the company would,

ond visit and take a trip on another of

party went to the races or wherever

The crowning act of Mr. Everett'

quarters, on the thirteenth story of the New England building, the tallest and

dining-room was one of palatial splen-

dor. The mosaic floor and pure whit walls and ceiling reflected scores o

incandescent lamps, artistically group ed. The menu, which was very elab

orate, and included every imaginable delicacy, was served by a corps of

French waiters. The view from this chamber, which is higher than the sur

rounding church spires, is perhaps the finest in all Cleveland, and was greatly

dmired by the guests. They got a pird's-eye view of the whole city, jus

as miles and miles of lights began to twinkle at the approach of darkness. Mr. Moore, vice-president of the Lon-

don Street Railway Company, joined the party here, and accompanied them to the dock. The Flora left shortly after 10 p.m., and reached Port Stanley

about 7:45, having encountered heavy head wind. She stood it we

and not a case of sickness was in evidence. Everybody passed a comfort

able night, and reached the city re freshed and animated by the reco

lection of a most delightful holiday which the L. E. and D. R. R., Mr. Ev

erett and Mayor Little were instru-
