Handicapped.

Parents often wonder why their
children do not take more interest
and make better progress in music.
Sometimes they blame the teacher
and sometimes the pupil, while in
many cases neither the one nor the
other is to blame. Both are handi-
capped by the inferior instrument on
which the pupil has to practice.
Perhaps there is no instrument at all,
and the practicing has to be done at
the teacher's house. This is equally
unsatisfactory.

A NORDHEIMER
PIANO

In the home will remedy this.
Old instruments taken as part pay-
ment.

VESSEL WRECKED IN A GALE
OFF PORT STANLEY HARBOR

Broke Her Cable and Drifted Ashore a Mile Below the
Pier—Out of Reach of Help.

Sea Too Rough for Boats to
Venture Out.

MATE FLOATS ASHORE ON HATCH

Volunteer Crew Organized and the
Lifeboat Manned—The Imperiled
Sailors Rescued.

Port Stanley, Ont., Oct. 31.—A heavy
southwest gale set in here early yes-
terday morning, which caused so much
sea that two coal-laden vessels bound
for this port could not make the har-
bor and came to anchor.

One of them, the Mineral State, of
Alpena, Mich., as once set a flag of
distress. No assistance could be
rendered from shore and at 11 o'clock
she either slipped her anchor or the
chain broke and she commenced drift-
ing ashore.

The Mineral State, which was com-
manded by Capt. William Zient, and
loaded with coal for the Lake Erie
and Detroit River Railway, Port Stan-
ley, soon began breaking up and at
noon the mate, George Hazelwood,
came ashore on a hatch cover and
with the life preserver on. He man-
aged to reach the beach at the foot
of the high city lane, where where
hands soon drew him to safety, and
he is no worse for his experience, but
was very much exhausted when he
reached the shore.

THE RESCUE.
The mizen mast fell at 2 o'clock and
by 4 the main mast fell, and the vessel
was going to pieces fast, when the
tug Gordon Brown towed the life-
boat down to the wreck.

Coxswain Reginald Moore, with a
volunteer crew, composed of sailors
and citizens, as follows: Thomas
Hough, Frank Eversand, Henry Cherrill,
Fred Pollock, William Hough and
Alonso Taylor, by careful manage-
ment, soon had the crew in the life-
boat.

THE SAVED MEN.
The rescued men are Capt. William
Zient, Fred Lecuyer, cook, and sea-
man William Henderson, Lawrence
Walker and Fred Doon, who were
in the lifeboat and again picked up by
the tug Gordon Brown and towed
to the shore.

BOER VOLUNTEERS
FOR SOMALILAND

Several Former Commandants
and British Officers Offer
Their Services.

Johannesburg, Oct. 31.—A number of
former Boer commandants and British
officers have offered their services and
those of one thousand men, half of
whom are British and half Boer sol-
diers, for service in Somaliland.

London, Oct. 31.—The Maharajah of
Jodhpur, says Simla correspondent,
has volunteered to send for service
in Somaliland 600 imperial service
troops, mounted on camels. The Ma-
harajah of Bikaner has offered the
whole of his camel corps. The Nawab
of Bahawalpur has also offered to
send a camel squadron. The corre-
spondent says that the native chiefs
of India are displaying the greatest
eagerness to offer assistance to Great
Britain.

Aden, Arabia, Oct. 30.—Colonel
Swayne, the British commissioner in
Somaliland, has reached Berbera in
safety. His wounds are doing well.
No further movement of the British
troops against the Mad Mullah will
be made until a large force is collected,
which will be about two months hence.
There is no doubt that the Somali
levies showed the white feather in the
recent fighting with the Mullah's fol-
lowers. Colonel Cobbe is in command
at Behtle, Somaliland, where the guns
have arrived. The garrison there is
not threatened.
