"Reparding a passenger service across the lake, Mr. Leslie pointed out that it was impossible to have such a service on the present coal steamers.' said Mayor Stevely. "He said that the boat was built for coal purposes only and consequently could not maintain a proper schedule. The boats rush into port, unload, take on their load and go out again. It is all done within an hour and a half, and the boat will not wait until passengers come or anything like that. The company does not know when the boat will arrive, as it follows no regular schedule. And then he pointed out that from any Grand Trunk ticket agent. if passengers are taken aboard, there are constant complaints about the service. They will demand the best regardless of the fact that the boat is a coal boat, and only takes passengers as an accommodation to part of the province of Quebec, in pany formation left the barracks l them, not to the company. However, he intimated that if there was any possibility of a passenger traffic sufficient to warrant placing a steamer in commission on this route, his company would not mind taking the matter up. It is possible that a passenger service may be given in the near future."

IMPORTANT ANNOUNCEMENT!

C. M. Grover & Co., Canada's Greatest Bargain Givers

TO OUR FRIENDS AND THE PUBLIC: In June, 1906, we took charge of the Great Farewell Sale at Brown's Shoe Store, 199 Dundas street, and within 90 days sold the entire stock of Fine Footwear, Trunks and Leather Goods, amounting to \$15,000, to the people of London and surrounding country. This event in Shoe history surprised the oldest businessmen of the city, as such a thing had heretofore been unknown in Canada.

In the summer of 1907 we conducted for Wm. Morrison, 148 Dundas street. the most successful Shoe and Trunk sale ever ...ld in the city of London. This stock contained \$26,000 worth of Fine and Staple Footwear, Rubber Goods, Trunks, Bags, Suitcases, etc., and we cleaned out the greater part of it. The remainder included

only the best, newest and most up-to-date goods in the stock. In November and December, 1907, we conducted another very successful Shoe and Trunk sale at R. Neill's Shoe Store, 123 Dundas street, and in two months sold an immense amount of Footwear, Trunks, Suitcases, Bags and Leather Goods of every kind, carried by first-class business houses.

In March, 1908, we opened a twenty-one days' sale at Wm. Morrison's old stand, 148 Dundas street, and had a very gratifying success-gratifying to ourselves,

Mr. Morrison and his customers. In the meantime Mr. Morrison's store building was sold, and he purchased the well-known R. Neill Shoe Store, 123 Dundas street, and later sold C. M. Grover & Co. the entire stock in the old store, consisting of \$12,000 worth of Fine and Staple Footwear, Trunks, Bags, Suitcases, and Leather goods, also the Shelving, Fixtures, and Furniture complete. This stock embraced several thousand dollars' worth of New Spring Goods, and we have removed it to the remodeled store recently vacated by Smith Bros., plumbers, 265 Dundas street (south side), near the corner of Wellington street, have added to it \$10,000 worth of new, up-to-date Spring and Summer Footwear of every kind, from the leading Canadian and American manu-

facturers, AND NOW OFFER THE PEOPLE SUCH BARGAINS AS ONLY C. M. GROVER & CO., CANADA'S GREATEST BARGAIN GIVERS, CAN AFFORD TO OFFER.

We make the foregoing explanation to the people of London and Middlesex County, because whatever success we have won in our London sales is largely due to the people who patronized us. We have always prided ourselves in carrying out every promise made in our advertisements. We have stuck to the truth, for "TRUTH IS MIGHTY AND WILL PREVAIL."
