WEST KENT MEMBER
WINS TORY APPLAUSETelling Speech Made by Young
Liberal at Ottawa—Scores
Finance Minister.

[Special to The Advertiser.]
Ottawa, April 16.—A front bench speech by a back bench member was a treat which Parliament enjoyed today. There have been several displays of capacity this session, but none have made more impression than the speech delivered by A. B. McColg, the young Liberal member who represents West Kent.

He dealt with the agriculturist, the implement manufacturer and the railway importer and hit the nail squarely on the head every time.

Mr. McColg has been in the House for several sessions. He has followed the advice of a celebrated British statesman who told young members that the wise thing on entering Parliament was to stop, look and listen a while from the back.

Mr. McColg, therefore, has been at the point of observation for a couple of years. Urged by his leader he spoke today and his effort was a success.

How You Can Remove
Unsightly Hair or Fuzz

(Boudoir Secrets)
By having a small package of de-lotions handy, you can quickly banish ugly, unsightly hairs wherever they may appear. Just enough paste to cover the hairy surface is made with some of the powdered de-lotions and water. This is applied for about two minutes, then removed and the skin washed. This simple method not only banishes every trace of hair or fuzz, but leaves the skin firm, smooth and free from blemish.—Advt.

Special Merchandise Bulletin
FOR SATURDAY BUYERS

Notwithstanding the great Easter business in wearing apparel, our customers are not, by any means, all fully provided with spring clothing, and, in fact, the two weeks coming should be practically as busy as the two past weeks.

The few warm days this week have already created stunning activity after the left-over March days, which crowded in front of Miss April during the first half of the month, forcing her to stand behind. What a difference the warm days make.

Besides the great displays of summer merchandise which have been arriving during the past month, our Saturday bulletin this week offers price advantages on many new and seasonable lines which will prove most profitable to early morning buyers.

This is one of the features of our Millinery, and many new shapes have been added to the display this week also; new effects in flowers, ribbons, ornaments, etc. Special display for Saturday at
