Antwerp Has Fallen Into the Hands of Germans Boston Takes Second; Shutting Out the Athletics

BELGIANS LEFT ANTWERP AFTER SIEGE OF TEN DAYS AND BLEW UP SOME FORTS

Friday Afternoon White Flag Was Run Up On LATELY APPOINTED Cathedral as Sign of Surrender-Reports Contradictory as to Cathedral Being Damaged.

(Canadian Press.) London, Oct. 10.-12:18 a.m.-The British war office announces that Antwerp was evacuated by the Belgians yesterday.

(Canadian Press.) London, Oct. 10.-5:10 a.m.-An official message from Berlin states that Antwerp has fallen, according to a Central News dispatch from Amsterdam.

TAKEN IN FORENOON.

(Canadian Press.) London, Oct. 10.—11:32 a.m.—The official announcement of the fall of Antwerp, given out at German general headquarters late last night, and transmitted here via Marconi wireless, says: "This forenoon several forts of the inner line of the fortifications of Antwerp have fallen. The town since midday has been in our possession.

"The commander and the garrison evacuated the fortifications. Only a few forts are still occupied by the enemy, and this is without influence on our position in Antwerp."

Worked Immense Destruction On Enemy Near the Village of Loison.

CHECKED ALL ADVANCES

Around Lille Kaiser's Troops Have Been Completely Routed.

DRIVEN BACK 13 MILES Have Evacuated the District and Great Ring Is

Broken Up.

London, Oct. 10.-The correspondent of the Daily Mail in France, under date of Thursday at noon, in describing the battle at Lille, which has reached its fifth day, says: "Yesterday the French force, firing over Lens at the German position near the village of Loison, wrought immense destruction, and the inic Ferrata, the papal secretary of German advance from the northeast has received an effective check, the Germans, according to the latest informa-

"The battle began Sunday, when the Germans made a desperate attempt to Italy, in 1847. He was the papal legate escape the encircling movement of the to the World's Eucharistic Congress at allies' left wing. A violent series of ing to quit Antwerp, according to re-ports, only yesterday morning, probably of the Patriarchal Lateran Arch-when the end was seen. French infantry occupying the town of Lille and its surroundings. Savage fighting was continual in the streets and suburbs until Monday morning, when the enemy was finally repulsed. Terrible Havoc.

"On Tuesday a fight occurred between the French and a big army stretched along the whole eastern, northern and northwestern suburbs of Lille.

The battle raged all day long, and well into the night, and the French guns wrought terrible havoc. The German infantry fire was ineffective, and the battle ended with the complete rout of the enemy, and the German army at Armentieres, which had been intended to cover the flank of the main body advancing on Lille and Arras, was driven back thirteen miles.

Again Beaten. "The following day the Germans gradually retired east and north, and today I hear they have been driven back to the northeast of Lens, with GOES WITH HIS FATHER heavy losses.

"Late tonight news comes that they have completely evacuated the Lille long enough to enable them to take district, that the great Lille ring is a full stock of the situation and evacu- ring no longer, and that all that is left of the ring is two wavering lines, one pointing northeast and the other southwest. Lille stands between, unhurt."
