

CALL ATTENTION OF PARENTS TO VALUE OF TECH. COURSES

Industrial Committee Will Put On Campaign.

LANGFORD IS CHAIRMAN

Old Member of School Board Elected At First Meeting of Year.

A. A. Langford was elected chairman of the industrial committee of the board of education for the coming year at the first meeting of that body in the Technical School on Friday evening.

Langford has been a member of the board of education for some years, and succeeds W. N. Manning as chairman of the committee.

A committee was appointed to co-operate with the separate and public school inspectors and principals to bring to the attention of parents the value of the courses being given at the Technical School. Principal H. B. Beal stated that the parents of pupils who graduated from the public schools failed to appreciate the value of the courses at the Technical School.

The principal's report also suggested that the decorating committee consider the painting of the school corridors. He believed that a general plan for the decoration of the school should be carefully planned.

The night janitor, who has been receiving \$70 a month, applied for an increase. It was decided to grant him an increase of \$10 a month at present, with more later on.

REAL ESTATE OWNERS IN ARMS AGAINST PROPOSALS

Object To University Fee Exemption and Changing Polling Day.

The Real Estate Owners' Association, at a meeting last night, adopted resolutions opposing the proposal to change the date of polling day for the civic elections, and the plan suggested by Mayor H. S. Little, by which owners of property assessed at less than \$3,000 would be granted exemption from the payment of university fees for their children. The two resolutions, in full, follow:

"Resolved, that in the opinion of this association, the changing of polling day will not result in getting any more voters to exercise their franchise or make any further interest in municipal affairs.

"The Federal Square fraud; the city hall bungle; the everlasting sewer expense with nothing to show for the expenditure; foot schemes like the Western Fair grounds extension; the industrial and Ajax Rubber have so disgusted the majority of citizens that apart from voting, they want nothing to do with the rotten municipal business."

"The businessmen's clubs, the Trades and Labor Council, Chamber of Commerce, and kindred organizations are responsible for the present condition of things by continuing to neglect and forcing some new unnecessary tax upon the ratepayers that they do not want, and as long as the circulation of borrowed money continues things will go smoothly, but when it stops look out for squalls at the tax collector's office."

OPENING DANCE
Starting tomorrow night a dance will be held every Saturday from 8:30 to 11:30 in the Oddfellows Hall, Alma Road, Richmond. The orchestra will play the latest New York dance music.

Street Car Service Badly Crippled by the Severe Storm

Street railway service in the city was badly crippled as a result of the blinding snowstorm, which swept out of the East yesterday afternoon and evening. The snowplow was kept continuously at work trying to keep the various routes open, but in spite of that serious delays occurred, and in one case, on the route to the east end of the city, four cars were stalled and the line blocked for several hours.

All four of the Ridout cars in service were snowed-in at one time on Garfield avenue. The snowplow, working from downtown by way of Wharncliffe road, Lisson street and Wortsley road, cleared the track as far as the jam, and towed the nearest car until it found sufficiently clean ground on which to move under its own power.

Then the plow, followed by the freed car, backed all the way downtown, switched at Thames street and made the journey by way of Ridout street to the other end of the line. The cars, liberating the eastbound line in the same way that the one from the other end had previously been got out.

The process was repeated for the benefit of the two remaining cars, but it was not until after 11:30 that the line was once more able to operate. In the meantime two Normal cars were switched onto the route, and the work about three hours later, and the line was once more able to operate.

By the time the south-end routes had been cleared, drifting snow had again become deep between the tracks on other routes in the city, and a complete tour of the city lines was more, in the expectation of completing the work about three hours later, and possibly having to do it all over again.

UNION ORGANIZER WILL OPPOSE O. B. U. SPEAKER

Textile Workers' Official Not a Believer in the New Idea.

When Joseph Knight, who is said to be an advocate of the One Big Union, comes to this city to speak he will meet with strong opposition from John Thomas, international organizer of the textile workers, the latter stated on Friday night.

According to Mr. Thomas, Knight was refused a hearing at St. Catharines. Members of the Textile Workers' Union were advised not to attend a meeting, if one should be held, at which he spoke. It is understood that local organized labor is opposed to this speaker. It has been said that an O. B. U. idea that materialize here would play havoc with trade unionism.

Knight is said to hail from Toronto.

MANY TEXTILE WORKERS ARE JOINING THE UNION

Number of New Members Taken in at Meeting Friday Night.

At a meeting in Hymen Hall on Friday evening many new textile workers joined the union of their trade which has been formed here.

John Thomas, international organizer, explained to those present the benefits they would derive by becoming members. The only way to get justice was by collective action, he stated.

H. Wray local A. F. of L. organizer, also spoke. It was decided to hold an organization meeting at noon today in the old trades and labor council rooms, 380 Richmond street.

WHO HAS KEG OF BEER?

Lost, Recovered and Stolen Within Few Minutes.

Lost, stolen or strayed, a keg of beer in the north end of the city, no reward is offered. The keg was part of a consignment which was being delivered to a citizen, but it did not reach its destination, because the joining of the wagon caused it to roll onto the roadway.

The finder put his treasure-trove on the veranda and went into the store to notify the brewery company of the happening. He was absent only a few minutes, but on his return the thief-quencher had disappeared, as though by magic. The grocer had his suspicions, but without more substantial ground than suspicion to stand on he did not press the matter.

The disappearance of the beer still remains a deep mystery.

ACCOMMODATION AT VICTORIA HOSPITAL IS NOT SUFFICIENT

Col. Gartshore Re-elected Chairman of Trust.

ADDITIONS ARE NEEDED

Chairman Speaks of Necessity of Adding to the Present Buildings.

Col. W. M. Gartshore was re-elected chairman of the hospital trust at the inaugural meeting of that organization held at Victoria Hospital on Friday afternoon. After being installed in the office to which he had been elected, the chairman spoke as follows:

"The high cost of living which so seriously affects all householders is equally apparent in the increased cost of maintaining public institutions, of which the Victoria Hospital is no exception. It was calculated that the peak in prices had been reached in 1915, but the advanced cost of food, fuel, and other necessities has since then continued to rise.

During the year ended our estimates which reached \$233,689.38, and in order to meet this we have been able, by advancing rates, to increase our revenue to \$234,800, inclusive of \$12,000 due from the Dominion Government, so that we have been able to occupy the year within our estimates.

"Having taken over the department occupied by the militia as a convalescent hospital during the war, it will be necessary to refurbish it, which will be provided for in our estimates for 1936. In taking over this department we have undertaken to provide accommodation for eighty soldiers.

"The municipal chapter, Daughters of the Empire, have undertaken to raise a fund to build a children's hospital, and the hospital trust, this together with an addition to the building vacated by the militia department, will necessitate a considerable increase for additional nursing and working staff.

"Nurses' Home. "The nurses' residence is entirely inadequate to provide accommodation for the staff at present, and it becomes absolutely necessary that a new nurses' home should be built, sufficiently large to meet the demands for future enlargement of the hospital. It is to be hoped that a sum sufficient to meet these needs will be forthcoming, either by personal contributions or, if necessary, by issue of debentures. This proposal is the first unit of a larger plan, as accommodation at our disposal is entirely inadequate to the growing needs of the city and surrounding industrial country. We urgently require an addition to the administration building, including operating rooms, kitchens, and an out-patient department. It must be kept in mind that the population of the city has doubled since the war, and the children's hospital is complete, and will provide facilities for proper treatment of orthopaedic cases, making our hospital complete in every department."

"We are indebted to the doctors of the medical and surgical staff who have given generously of their valuable time to the ward patients and to the staff of the Western University Medical School for their lectures to the pupils of the nursing school, and to the heads of the departments, who are all indebted for the high standard of efficiency the Victoria Hospital enjoys."

Pre-Natal Clinic. Permission was given the welfare workers of the city to hold a pre-natal clinic at the hospital. One hour a week will be spent on this work, which will be in charge of Dr. R. Ferguson.

During the month of December, according to the report of Secretary T. H. Heard, 115 adult males, 115 adult females, and 72 children were admitted, and 130 adult males, 130 adult females, and 89 children were discharged. Births numbered 20, and deaths 17. On December 31 there were 221 patients in the hospital, within the month 220 patients were treated at the free dispensary. Cash receipts for the above-mentioned period totaled \$14,979.90.

James Gray was appointed chairman of the hospital committee.

Those present were Col. W. M. Gartshore, James Gray, Mayor E. S. Little, Dr. H. Laidlaw and Secretary T. H. Heard.

LONDON DOCTOR IS DOING GREAT WORK IN CHINESE FIELDS

Wallace Crawford Is Highly Esteemed by Missionaries.

Speaking before the world student convention, held in Des Moines, Iowa, recently, which over 1,000 students from 1,000 Canadian and United States universities were in attendance, Dr. H. Hume, president of the Yale Mission, Changhai, China, paid a tribute to a well-known London medical man, Dr. Wallace Crawford, son of Mr. and Mrs. L. W. Crawford, 329 Horton street, London.

Dr. Crawford, following his graduation from Western University Medical School in Des Moines, Dr. Hume said, "Dr. Crawford is a fine fellow, and I am awfully glad to meet students from his university. He is one of the last time I saw him, doing great work at Tzeli-ching, Szechuan, in West China. He is one of the finest medical men in China."

Others Join in Tribute. Harold Deane Robertson, recently returned from Chentzu University, where he was a member of the student body, who is now Canadian student volunteer secretary, with headquarters in Dr. Crawford, also was loud in his praises of the London medical man. Dr. Stevenson of the Methodist Missionary Society, who is also in China, certainly surprised us by the excellent results he has obtained in his work."

Dr. Crawford, following his graduation from Western University Medical School some years ago, enlisted as a medical missionary, and spent his time here prior to the outbreak of the war, has labored unceasingly in Chinese missionary work.

Several London Boys. A speech made at the convention well known in this district was Dr. J. Ross Stevenson, dean of the Princeton Theological Seminary, who addressed delegates present at the Presbyterian General Assembly, a luncheon held here in the summer of 1918.

Two London youths were present at the convention representing Canadian universities. Rev. J. Floyd Malone, who received his early education in this city, and following his degree at a charge in London, was present as delegate from Victoria College, Toronto.

That institution, Rev. Neale Omond, who graduated from the London College Institute in 1929, and spent his boyhood days here, represented Queen's University at Des Moines. He is student chairman at the Kingston University, and as such was appointed to the Queen's delegation.

NASAL CATARRH

Though Very Common, It is a Serious Disease—Worse at This Season.

It is an inflammation of the mucous membrane, causing a discharge, and is aggravated by colds and sudden changes of weather, but depends on an impure condition of the blood. When chronic it may develop into consumption by breaking down the delicate lung tissues and impairing the general health.

Begin treatment with Hood's Sarsaparilla at once. This medicine purifies the blood, removes the cause of the disease, and gives permanent relief. It has been entirely satisfactory to three generations.

If a cathartic is needed take Hood's Pills—they enliven the liver, regulate the bowels.

POULTRY FANCIERS HOLD THEIR ANNUAL MEETING

R. B. Beamish Re-elected President of Association by Acclamation.

R. B. Beamish was re-elected president of the London Poultry and Pet Stock Association by acclamation at the annual business meeting of the association held in the Duffield Block last night. The other officers for 1936 are: Vice-president, G. T. E. Martin; second vice-president, E. T. Smoother; secretary, J. C. Andrews.

W. J. Slesor was elected superintendent and L. A. Brill, assistant superintendent. The board of directors consists of W. H. Prouse, W. H. Wilkey, F. Brown, W. F. Brown and Mr. Morgan were re-elected auditors. R. B. Beamish and W. McNeil will represent the association at the Western Fair. The press representative is G. T. E. Martin. R. B. Beamish will represent the association to the Confederation of Local Poultry Associations.

John Saunders spoke briefly in connection with the erection at Guelph of a Memorial Hall to the students of the O. C. who fell during the war. The association in response to his plea decided to make a grant of \$25, to which W. McNeil added a donation of \$10, bringing the total up to \$35.

An auditors' report was read, showing that the association had \$113 in the treasury. At the last annual meeting the association had only \$7 on hand.

It was intended that a showing of Barred Rocks would be made last night. Owing to the stormy weather, only one bird was brought to the meeting, so this part of the program was postponed until next month. George McCormick of this city demonstrated a considerable increase for additional nursing and working staff.

New Nurses' Home. "The nurses' residence is entirely inadequate to provide accommodation for the staff at present, and it becomes absolutely necessary that a new nurses' home should be built, sufficiently large to meet the demands for future enlargement of the hospital. It is to be hoped that a sum sufficient to meet these needs will be forthcoming, either by personal contributions or, if necessary, by issue of debentures. This proposal is the first unit of a larger plan, as accommodation at our disposal is entirely inadequate to the growing needs of the city and surrounding industrial country. We urgently require an addition to the administration building, including operating rooms, kitchens, and an out-patient department. It must be kept in mind that the population of the city has doubled since the war, and the children's hospital is complete, and will provide facilities for proper treatment of orthopaedic cases, making our hospital complete in every department."

PAINTERS ASK INCREASE

Are Demanding an Increase of 35 Per Cent.

Local Union, 910, of the Painters and Decorators of America, is conducting a membership campaign, and last night enrolled ten new members, bringing the total membership in the city to forty-two. The union is holding a meeting in the union rooms, 390 Richmond street, by which time the reply of the employers to the union's draft agreement, which calls for a 35 per cent increase, is expected to be in hand. Twenty-five new members are to be initiated at the meeting. The local last night appointed a business agent.

AN ENEMY OF MANKIND

A Subtle Foe to Deal With

The subtle, unsuspected enemy which, taking hold on the kidneys saps them of their strength and vitality, rendering them inactive and unable to remove the poisons and waste substances from the blood, should immediately be dealt with. All who suffer from backache, pains in the sides, sciatica, rheumatism, neuralgia, constant headaches, constipation, joint stiffness, lameness, and ankles, or swollen, sleeplessness, floating speck before the eyes, irritability, should at once begin treating the kidneys with Gin Pills, which are by far the most effective remedy for diseases of this vital organ.

The first sign of pain in the back or side is warning enough. Do not delay the cure. The kidneys and bladder are the most important organs, and get out of order, most serious, and often fatal consequences are likely to follow in quick sequence. Get a box of Gin Pills today, and correct the derangement before it is too late. At drug stores or dealers, 50c. Money refunded if not satisfied. Free sample on request.

The National Drug & Chemical Co. of Canada, Limited, Toronto, United States Address, N. A. Drug Co., Inc., Main St., Buffalo, N.Y.

FREE TO PILE SUFFERERS

Don't Be Cut—Until You Try This New Home Cure That Gives You Relief Without Discomfort or Loss of Time. Simply Chew up a Pleasant Tasting Tablet Occasionally and Rid Yourself of Piles.

Let Me Prove This Free.

My internal method for the treatment of hemorrhoids is a new and correct one. Thousands upon thousands of grateful letters testify to this, and I want you to try this method at my expense.

No matter whether your case is of long standing or recent development, whether it is chronic or acute, whether it is occasional or permanent, you should send for this free trial treatment.

No matter where you live—no matter what your age or occupation—if you are troubled with piles, my method will relieve you promptly.

I especially want to send it to those apparently hopeless cases where all forms of ointments, salves, and other local applications have failed.

Write me to receive this free method of treating piles is the one most dependable treatment.

This free offer of free treatment is too important for you to neglect a single day. Write now—Send no money. Simply mail the coupon—But do this now—TODAY.

FREE PILE REMEDY

FREE CASH PRIZES
We have already given away \$5,000 FREE. \$200.00 more IN CASH and numbers of Merchandise Prizes will be GIVEN AWAY at an Early date.

1st Prize, \$50.00 in Cash. 2nd Prize, \$40.00 in Cash.
3rd Prize, \$35.00 in Cash. 4th Prize, \$25.00 in Cash.
5th to 9th Prizes—Each \$10.00 in Cash.

TOGETHER WITH MANY MERCHANDISE PRIZES

Herewith will be found the picture of a Log Hut in the Woods. At first glance all you see is a man, a woman and a dog. If you look closely at the faces of 8 other persons will be found. Can you find them? It is no easy task but with patience and endurance can be accomplished.

You may win a cash prize by doing so. Many have done this as will be shown by the names and addresses which we will send you. If you find the faces mark each one with an X, cut out the picture and send it to us, together with a slip of paper on which you have written the words "I have found the faces and marked them." Write these words plainly and neatly, as in case of lies, both writing and pictures are considered factors in this contest.

This may take an hour of your time but as TWO HUNDRED DOLLARS IN cash and many merchandise prizes are given away, it is well worth the time. Remember all you have to do is to mark the faces, cut out the picture and send it to us. A simple matter of super the words "I have found the faces and marked them."

WE DO NOT ASK YOU TO SPEND ONE CENT OF YOUR MONEY IN ORDER TO ENTER THIS CONTEST

The information that our contests are carried out with the utmost fairness and integrity. Winners of cash prizes in our contests will not be allowed to enter this Contest.

This Competition will be judged by two well known business men of established reputation who have no connection with this Company, whose decisions must be accepted as final.

Your opportunity to win a good reward sum is equally as good as that of anyone else as all previous winners of cash prizes are debared from entering this contest.
