ORDERS A. DEGURSE

TO PAY WIFE ALIMONY

Sarnia Magistrate Reduces

Weekly Allowance On Plea

Leniency.

Special to The Advertiser.

Sarnia, March 26.—A. Degurse

was arraigned before Magistrate

Gorman in police court Saturday for

failure to comply with the provi-

sions of an order made in January

last, directing him to pay \$12 a week

for the support of his three children.

Defendant, it was stated, had not

made any payments since Feb. 3.

After a hearing the magistrate di-

rected that Degurse pay \$50 in full

of the amount in arrears in two pay-

ments, one of \$25 on March 28, and

another for a similar amount on or

before April 22.

The amount of the order was also

reduced from \$12 to \$10 a week on

the representation of the defendant,

that it was impossible for him to pay

the original amount.

Evidence given at a previous hear-

ing was to the effect that Degurse

and his wife had lived together for

17 years before separating.

STRASBOURG TIME URGED

FOR ADOPTION IN FRANCE

Associated Press Despatch.

Paris, March 26.—The success of

the country deputies in the Chamber

of Commerce, in postponing consid-

eration of the setting forward of the

clock for daylight saving, is causing

the government seriously to consider

asking Parliament to adopt Stras-

bourg time. The acceptance of this

time would mean advancing the clock

half an hour, possibly permanently

both in summer and in winter. Some

opposition has arisen to a permanent

change in the time as being likely to

put France out of step with the rest

of Europe.
