By Special Appointment of His Majesty KING SANTA CLAUS

Let Us Help You—Just now you are very busy, we are very busy and everyone is very busy, but we all can do a little more. Busy stores are like busy people, you know. But with your co-operation we can do a great deal more for you. If you are gift buying, please remember that mornings are least busy, that the carrying of small packages

makes possible the prompt delivery to you and your friends of larger packages that cannot be carried; that certain articles are not returnable; that right sizes avoid a great deal of annoyance; that telephones save many steps. We are anxious to do our utmost to facilitate your affairs and expedite your orders.
