

Young Balm Beachers Are Conceded Chance of Again Giving Queens Fright

TEN O.R.F.U. CHAMPS ARE STILL JUNIORS

Is Second Year Club Has Molded Champs From Odds and Ends.

CASUALTIES HEAVY Six Queens Regulars Now Under Weather, But Hope To Be O. K. Saturday.

Special to The Advertiser. Toronto, Nov. 17.—Reg DeGruchy and Joe O'Brien will be the officials in the Queens-Balm Beach play-off on Saturday at Varsity stadium. These same two officials handled the match between the Kingstonians and the East Enders last fall, and generally speaking have satisfaction to all. The match, of course, will be the spotting of the Queen's running interference, and many games with the outfit of the many unions that are just now in the home under the C. R. V. code as their own intercollegiate set.

Frank Shag, who will be head line-man, and this completes the similarity between this and last year's affair. Shag held the game job at the surprising tilt between Queens and Balm Beach in 1924.

The two teams, however, have changed somewhat. Roy Reynolds, the big middle wing of the champions, is not with them now, but "Red" McKelvey, who was out of the finals with injuries last fall, is in there again, while another change will be Norrie for Alth, the latter who is in shape yet for a tight struggle.

The famous Queens backfield is still the same. Batstone-Leadley-McKeeley combination, but Voss and Chantler are getting more chance all the time to strut their stuff, and may be in for a Britton flying wing for the champs is their only real newcomer, and in this match "Bubs" will be playing against his old teammates. Britton broke into senior ranks with Balm Beach last year as a halfback and he was the star in the carrier when they stacked up against Queens.

The Balm Beach outfit will present a much different front than they did for this struggle last year. Britton, Frank Comings, Jack Bell, Morris, Hughes, Archie LeMay, Ike McLean, Warren Smythe and Yip Foster, who took part in the tussle, are the regulars and many new faces can be seen in their line-up.

The team that will "Custer" for Toronto this week in the Dominion play-offs is a wonderful example of the force of flaming youth. Ten of the Balm Beachers can still play junior. It would be quite a junior team. Most of the others are but little over that mark. The average age of the squad is 22 years. They are a cheerful and coming and all local boys, as the saying goes. They lost their faith in Santa Claus during the league season, having four headline decisions on touchdowns all called against them. But they still believe in Santa Claus and are heard of half the boys that made up the team, but these unknown soldiers, sloped along somehow and ended up by winning the O. R. F. U. and giving "Pep" Leadley and his friends the next thing to a nervous breakdown in the final.

SIX CASUALTIES. Kingston, Nov. 17.—The first time this year Queens seniors have an extensive casualty list, with no fewer than six of the regulars being under the weather. The chances, however, are that most of them will be in shape for the Balm Beach game in Toronto on Saturday. "Pep" Leadley is suffering from an attack of lumbago, and is at his home. Harry Batstone and Jimmy Wright both were in the hospital yesterday. Batstone with a severe cold, and Wright with a sprained ankle. The latter, however, left hospital this morning and is able to hobble about. "Uncle" Bill McArthur suffered an injured shoulder in Saturday's game, while "Red" McKelvey and "Bos" Norrie had injuries to the knee which were very painful. The entire casualty list is being looked after by Dr. Campbell, and all homes are estimated that all will be ready for Saturday's game.

Westerner's Line Passed But Once

Peg Tigers Hailed As Greatest Team West Ever Had.

Canadian Press Despatch. Winnipeg, Nov. 17.—Western rugby fans, with the season in the west closed, are looking forward to the east and west clash for dominion honors, which will take place in the east. Tammany Tigers, Winnipeg's champion team, which captured the Western Canada title by defeating Regina Saturday, have definitely decided to take the trip east in quest of the Canadian title.

The team is being hailed by local critics as the greatest gridiron squad ever developed in the west. In eight games this season the Tigers' line has only been crossed once, and on that occasion on an on-side kick. The team is powerful in all departments with a lineup of bulky and speedy athletes. It is confidently predicted that the Tigers will prove eastern fans the enormous strides made in rugby in the west during the last few years. Starting tomorrow, the Tigers will train daily until their departure for the east, about Dec. 1. They will meet an all-star local team in an exhibition tussle here next Saturday. Coach Roth will be assisted during the trip east by Fred Ritter, considered the foremost rugby mentor in the west.

WOODSTOCK C. I. BLANKS INGERSOLL GRIDDERS Put Over Two Tries For First Victory in Oxford County Loop.

Special to The Advertiser. Woodstock, Nov. 17.—Woodstock college senior team played the Oxford county rugby league this afternoon, and the Ingersoll Gridders' team to win a fast game by a score of 12 to 0.

The local boys thoroughly deserved their victory, and won on account of their speed and kicking. On line plays, the Ingersoll had a little better, but the kicking of McLeod and Hallock drove the visitors back time and again and paved the way for the victory. The first point came in the first quarter, when the Ingersoll scored a long punt by McLeod. In the second quarter, Hallock plunged over for a touchdown from six yards out, following good gains by Kellett and McKay. Hallock converted, making the half time score 7 to 0. There was no scoring in the third quarter.

In the last quarter, the Ingersoll halves failed to gather in a kick by Hallock and McKay, who was outside, secured possession and scrambled over for a touchdown, which was unconverted. This was the first victory for Woodstock's Oxford county league team this season.

The line-up—Flying wing, McKay; halves, Murray, Hallock and Mulligan; quarter, Kellett; snap, Ross; insides, Ward and Warren; middles, Sanders and Jacques; outsides, Smith and Johnson; spare, Lee.

Ingersoll—Flying wing, Bonsteel; halves, McDermott, Clendenning, Mabee; quarter, Shannon; snap, Watterworth; insides, Robertson, Jenkins; middles, Swallow, Thomas; outsides, James, Jackson, Mills; spares, John Jackson and Kirwin.

Referee—M. M. Hood, Woodstock. Umpire—H. F. Moran, Ingersoll.

JOE STECHER WINS. Associated Press Despatch. San Francisco, Cal., Nov. 17.—Joe Stecher took two falls here last night from Earl Clemens of Wichita, Kan., both with a body scissors hold. Renato Gardi, Italian, won in two falls from Joe LeMoren, Canadian.

GUELPH HAS FIVE NEW HOCKEY STARS

"Cuney" Woods of Kitchener Seniors Is One of New Men.

Special to The Advertiser. Guelph, Nov. 17.—The impetus given amateur hockey in Guelph by the Guelph athletic club, will be reflected this winter in the team which will take the ice carrying the orange and black colors. On paper, Guelph's 1926 intermediate O. H. A. sextette is one of the finest looking outfits in this district, and should bring to the Royal city the laurels they have missed in the past few seasons.

The roster this year will bear the names of some outstanding players, among them a number of last year's regulars and five new puck chasers who have located here.

Although two of last year's regulars, "Habe" Bolands, captain and goaltender, and Jack Leuchman, star center player, have left the city, the remaining regulars of the 1925-26 team are all available while five new men who have located here since the last playing season will be candidates for the team. These include "Cuney" Woods, ex-Kitchener senior goalkeeper, who has returned to his home town, and who has signified his intention of playing with Guelph; Harry Connors, former Ottawa Valley league star; Evan Headley, a Saskatoon product; Jack Cuthbert, who played with Port Colborne intermediates last winter; P. Hamilton, who is attending the O. A. C. and who was one of the outstanding men on the Aggies intercollegiate lineup for the past two hockey seasons; and W. Maloney, former Kitchener intermediate forward.

Other players who have been with the intermediates in recent years, and who will again try out for places, are Yub, Craven, Johnny Mitchell, Evan Brill, D. King, Alex. Hayes, Guy Pool, Eddie Baker, and Gordon Smith. The club, as mentioned, have already started indoor training, and on Wednesday next they will hold their first ice practice in the Hamilton arena.

The need for a real hockey coach has been manifest in Guelph for many years, and it is the intention of the club to engage the services of a capable outsider, who will take full charge of the team as soon as the player start their regular drill.

ONLY YUKON MISSING IN ELECTION WRITS

Chief Electoral Officer Gives Assurance That List Will Be Ready Dec. 10.

By E. C. BUCHANAN. Special to The Advertiser by Staff Correspondent. Ottawa, Nov. 17.—The only doubt as to the return of writs from the elections of October 23, in time for the opening of parliament on Dec. 10, as desired by the government, is in the case of the Yukon. All the other writs are now indicated, will be here before that date. This assurance was given today by Colonel O. M. Aggar, chief electoral officer.

Colonel Biggar expressed the opinion that it would be possible to have all the members legally seated by December 10, with the possible exception of those for the Yukon and the constituency of Bagot.

MERLIN YOUNG MAN SHOT WHILE HUNTING

Ivan Wright Accidentally Wounded by Friend's Gun—Is Taken To Hospital.

Special to The Advertiser. Chatham, Nov. 17.—Ivan Wright, a well-known Merlin young man, was admitted to the Public General Hospital here this afternoon suffering from gunshot wounds in his face and arm received this morning while on a rabbit-shooting expedition. The gun which inflicted the wounds was in the hands of Wright's friend, "Bud" Broadbent.

The two, with another young man named Davis, started out to hunt together. When a rabbit was startled out of its hiding place, the three young men commenced to run. Broadbent tripped over a log, his wound, and the other two, who were 20 yards ahead of him, received the discharge. The injuries are not considered serious.

The civic authorities are offering a reward of \$10 for information which will lead to the fixing of responsibility for damage caused by motorists running into "Stop" and "No Parking" signs.

During the night thieves looted the grocery store of Bruce Morgan, Grand avenue east. The glass of the front door was cut out. A quantity of cigarettes and candy were stolen.

INGERSOLL TO ENTER WOSSA HOCKEY SERIES

Special to The Advertiser. Ingersoll, Nov. 17.—The Ingersoll C. I. will be represented in the junior hockey series of the W. O. S. A. Sports at the local hall of learning are being encouraged, and in rugby and hockey the boys have achieved considerable success. It is expected that a promising hockey team will be mustered.

OUR BOARDING HOUSE.

OXFORD GREYHOUNDS OUTCLASS GERMANS

Frankfort Football Team Goes Under, 32-3, in One-Sided Match.

Associated Press Despatch. Oxford, Nov. 17.—While the German deep-sea divers and British navy men fraternized yesterday awaiting the abating of the gale, which prevented the Germans from attempting to locate the lost monitor submarine M-1 in the English channel, there was another display of Anglo-German fellowship in Oxford. The Frankfort football team, holders of the German rugby championship, played a match with the Oxford Greyhounds, composed of players selected from the various colleges of Oxford university. It was the first time since the great war that the two teams had played in England, and both their hosts and the spectators displayed a most friendly spirit toward the visitors.

It was a lively and interesting game, but the Germans were completely outclassed. They scored only three points to 32 for Oxford. Last night the two teams dined together, and there was much jollity around the board.

VICTORIA COUGARS TO PLAY CANADIAN SEXTET TONIGHT

Canadian Press Despatch. Montreal, Nov. 17.—Lester Patrick's world's champions, Victoria Cougars, conclude their visit to Montreal for a two-game series when they meet the Canadian pro hockey team tomorrow night. The Stanley cup holders from the British Columbia capital electrified the fans in the game with the Montreal Maroons Monday night. In meeting the Canadians they will be pitted against almost the same team which forced them to the full limit of game before conceding them world honors in the cup play-offs last spring at Vancouver and Victoria.

Juniors Promise Faster Hockey On Tonight's Bill

Grange To Play Before 370,000

Father Opposes Son Turning Pro As He Ends Career This Week.

Special to The Advertiser. Champaign, Ill., Nov. 17.—Approximately 370,000 persons will have seen "Red" Grange in action with the end of the Western Conference football season next Saturday.

Figures made public at the University of Illinois today showed that there were 185,801 paid admissions to the five games that the Illinois team played at home this year. Besides 100,000 persons saw Grange play at Pennsylvanian and Iowa, and for the closing contest with Ohio State at Columbus next Saturday 70,000 seats have been sold.

"Red" Grange's greatest admirer, his father, is opposed to the illustrious young Illinois gridiron star playing professional football when the curtain rings down on his intercollegiate career in the Ohio-Illinois game next Saturday.

Grange's father, a deputy sheriff at Wharton, a suburb of Chicago, said to fight he would not object to Grange accepting any of the other numerous offers made him, whether it was the movie writing for a newspaper syndicate or any form of public appearance, but that he did not approve of commercialized football.

TONIGHT'S BILL. 7:00—Hawks vs. Westervelts. 8:00—St. Marys vs. Orioles. 9:00—Falcons vs. Young Britons.

OVERTIME IS OFF

Tonight the junior hockey association will present its second program of the season, and the bill should draw a larger crowd than the first one, as the players have had a chance to get in more practice, and the play on the whole should present a more polished appearance.

Hawks, who were defeated by St. Marys last week, will meet Westervelts in the opener which will get under way sharp at 7 o'clock. The latter squad boasts a real outfit which held the Falcons to a 1-1 tie in their first meeting, and the initial tilt promises to be a truly one.

In the second game, St. Marys take on the Orioles. The latter sextet lost a 2 to 1 decision with the Young Britons last week, while St. Marys gained a 1 to 0 victory over the Hawks. The third and final fray will find Falcons and Young Britons, league leaders, locking horns.

Altogether it looks like a real bill that will give the fans plenty to talk about. Special interest will be centered in the players who have been picked as O. H. A. material and who have been working out under Bill Marsden. It does not take the senior coach long to brighten up the rough diamonds, and some of the youngsters should be about ready tonight to flash real form.

Last week, in the excitement of the opening night, the officials let the first game between the Orioles and Young Britons go on into overtime, but there will be no repetition hereafter. In some of the games affecting the league standing, the teams will play off at the end of the schedule.

Capable referees have been appointed to handle the games, and the players will be kept going at top speed. They are follows: Hawks vs. Westervelts, Bill Marsden; St. Marys vs. Orioles, Jerry Lowery; Falcons vs. Young Britons, Ed Stankings. The general admission stands at 15c, while the youngsters will be admitted for one dime—15c.
