**ARM AND FOOT WERE AMPUTATED**

FREDERICTON, July 7.—An operation was performed at the Victoria Hospital upon a young man named Day, of Bathurst who was injured at McGivney Junction, on the Canadian Eastern branch of the I. C. R., yesterday, by being run over by a ballast train. This morning the mangled arm was amputated at the shoulder, and a portion of one foot was also amputated. His condition is most serious, and his recovery is not expected.

## BATHURST BOARD 'CRITICISED'

Writer Says Board of Health Does Not Do Its Duty In Fighting Smallpox.

FAVORITISM SHOWN.

Mr. Editor:—It apparently looks as if our Board of Health seems to be very anxious to try and get the local government to pay over a good round sum of money towards the smallpox epidemic, judging from its present manoeuvres. The smallpox (or what is known as such), is evidently spreading in our town, resulting from not only the persons which I have mentioned in my first correspondence, but also others, who are striving to keep it a secret, and the unobtrusive manner in which the Board of Health is at present acting. Why make fish of one and flesh of another? Why not investigate rich and poor alike? Is it because a certain merchant who is also a dealer in farming implements, and who is possessed of a little of this world's goods, should, when such a disease is rumored to be within the walls of his residence, be exempt from having his residence quarantined (no doubt a sad, but compulsory duty, which belongs to the Board of Health). In order to stop the spreading of such an epidemic, poor and rich should be treated alike, partially shown to none.

How many persons have returned from the Drummond Mines (in which there are, or have been, a few cases of this disease. Yet only one man and

his family have been quarantined, thereby depriving four adults from earning their livelihood for a certain number of days, and remarking, without symptoms, or any outward appearance of the disease. To the contrary, it is well known that another person who returned from the mines nearly two months ago, had a heavy rash both on his face and body and still his residence was, and is close of quarantine today, and it is beyond question that the inmates in the house now quarantined, have taken the disease from there, being faithful and in close communication with one another.

Perhaps one of the members of the Board of Health would give some information in reference to the last person referred to, as he is one of the firms, who lived this person, after coming from the mines, to go to work for said firm.

I will return to this question again if necessary.

In the meantime I will remind the Board of Health as one, that it is not supererogatory, evidently it appears summary at present, in order to make things really summary in the near future.

Yours, etc.

## TRAIN ARRANGEMENTS HARD TO MAKE

Dalhousie People Complain That it is Hard to Get Special Service.

REMEDY SUGGESTED.

DALHOUSIE, July 8.—The citizens of Dalhousie have had to complain very often about the difficulty of securing a special train to take them to Campbellton to attend any important function.

Why that should be so is very difficult to understand. One would think that with the Superintendent at Campbellton there should be no time lost in arranging for an engine and a couple of cars to go to Campbellton without one person having to guarantee a certain amount.

It was at a very late hour that it became known at the Dalhousie station on the eve of Dominion Day that there would be a special train leaving next morning for Campbellton. Had the weather been fine and notice given ahead nearly 200 persons would have gone to Campbellton to celebrate the day. As it was 88 tickets were sold.

It is to be hoped that Superintendent Price will be able to make a business like arrangement with the I. C. R. commission by which on the receipt of a message from any reliable citizen speaking for a number of people to provide a special train so that our citizens may attend from time to time any function going on in Campbellton.

The meeting of the Auxiliary of the Women's Missionary Society which was held on Tuesday was well attended, and great interest taken in the deliberations.

The temperance hall has been improved lately by receiving a nice coat of paint.

Work is progressing well at the three new residences that are being erected here. The pretty homes built on Adelaide street for Doctor Diabrow and Principal Jones on William street, for the Messrs. Hilyard will add very much to the appearance of our little town.

Messrs. A. & R. Longie lost a valuable horse today. While being driven between the station and the wharf, the horse was struck by the engine of the branch train and was so badly injured that he had to be killed.

Everything points to a very successful tourist season for Dalhousie this year. A great many guests have already arrived at Inch Arran House and families are coming by every express train.

Several families, from Fredericton will be guests at this famous resort this year.

## BATHURST MAN FATALLY INJURED

Fell Between Cars on Construction Train on G. T. P. at McGivney Junction.

WILL NOT RECOVER.

FREDERICTON, July 6.—A young man from Bathurst, named Day, was probably fatally injured at McGivney Junction, where the G. T. P. and I. C. R. intersect, this morning. He had arrived only shortly before from his home and was just about to start out when he fell between the cars of the Toronto Construction Company's working train and one of the cars passed over him. One arm was almost amputated at the shoulder, and one foot was almost taken off. He was placed aboard a special train and brought to this city and hurried to Victoria Hospital. There he was found to be in such a serious condition that amputation was impossible. It is not expected that he will live the night.

## CHATNAM WOMAN DIES OF DEBAUCH

Mrs. Lloyd and Husband Arrested for Drunkenness and Former Succumbs

A SAD CASE.

CHATHAM, July 7.—A police court case which will never be finished was the charge of drunkenness laid against Mrs. Mary Lloyd, wife of Lawrence Lloyd, of this town, for Mrs. Lloyd died at the Hotel Dieu yesterday, and the cause of her death was given by a coroner's jury as excessive use of alcoholics and absence of proper nourishment.

Last Saturday week Mrs. Lloyd and her husband were placed under arrest by Chief Lawson and it was reported that blood poisoning had developed from bruises received by Mrs. Lloyd at that time and that this caused her death.

The inquest was held on the information of Chief Lawson, who was represented at the hearing by R. A. Lawlor, Coroner Benson presided and the following were the jury: Chas. A. Casady, Henry Broecker, Wm. P. Troy, Chas. Dickens, Walter Stapleton and H. D. Gunning and J. H. Pallen.

Dr. Marven was the only witness. He testified that he had attended Mrs. Lloyd continually during the last week and that she was in a state of intoxication all that time, taking no nourishment whatever. She went to the Hotel Dieu Sunday and began to improve but took a bad turn Tuesday morning and collapsed. He attributed her death to the prolonged use of alcoholics and the absence of food. There was a bruise on her knee, but this was only local. Her hands had been cut on a broken bottle the night of her arrest. The jury reached their verdict in a very short time and were discharged.

DESERONTON, July 7.—Sol Mintz of Hamilton, Longboat's manager, arrived here last evening and was met at the station by his Indian charge, who took him to Mr. Marcell's home on the Mohawk reserve. ## COUNTY COUNCIL PASSED PROVINCIAL HOSPITAL ACCOUNT AT MEETING

Council was called to order at 11 o'clock by Warden Adams. The following councillors were present: Warden Adams and Couns. Mowat, McEwen, Dawson, St. Onge, Chaytor, Arsenau, Van, Goulet, Jamieson, Jos. Goulet, Lawlor and Murchie.

A letter was read from the clerk of the Executive Council of N. B. asking for specific reasons why the council desired a change of chairman of the Board of Health. This letter was laid over until the afternoon session.

Statement from Local Government \$48.22, showing amount of Municipalities share of County Expenses. Received and placed on file.

Petitions from ratepayers of Colborn against by-law respecting the running at large of cattle passed at last session. Asked for report and allowed the cattle to run at large.

PERSONAL.

Among the young men ordained by Archbishop McCarthy, Halifax, on Tuesday was Joseph Turgeon, son of O. Turgeon, M. P. for Gloucester, who received sub-deaconship. Mr. Turgeon has joined the Baptist order.

Coun. Goulet moved that the by-law be repealed. Carried.

On motion of Coun. Arsenau, John B. Sliess was appointed field driver and Simon Goulette keeper for parish of Balmoral.

A communication was read from P. C. Belisle, asking for permission to lay a pipe from spring on Lids Lake road to his brick kiln. On motion of Coun. St. Onge, the permission was granted.

Coun. Chaytor explained that at the last session of the Council a resolution had been passed authorizing the placing of a telephone in the recording office. In looking into this matter he found that it would entail a large amount of expense upon the municipality, over and above the amount of telephone rental. He moved that the resolution be rescinded. Carried.

Several communications from the N. B. Union of Municipalities (writing the Restigouche Municipal Council) to join were read.

Coun. Arsenau and Mowat spoke strongly in favor of affiliating with the Union of N. B. Municipalities and on motion of Coun. Arsenau the secretary treasurer was authorized to pay the Union fee of \$10.00. Carried.

Adjourned to 1.30.

Council reassembled at 1.30 o'clock. Warden Adams in the chair.

The first matter taken up was the letter from the Executive Council, re Board of Health chairman.

Coun. Lawlor stated that he thought it was generally understood that the present chairman was too expensive, that his bills were too high.

Coun. Arsenau, Mowat, and St. Onge were of the opinion that the chairman's bills were high, but that this would hardly form a basis for dismissal. He did his duties well.
