NEW CARLISLE NOTES

Death has visited our village again and taken away an old and very active citizen, Mr. Tremblay, District Magistrate. The funeral took place May 30th, from his residence to the R. C. Cemetery and was attended by a large circle of friends.

We also have to relate the sad news of the death of Miss Emma Caldwell, who passed away Wednesday, May 30th, after a brief illness of one month. Interment took place June 20th in the Episcopal cemetery. Rev. Mr. Pratt of Shigawake conducted the services, in the absence of the previous pastor, Rev. Mr. Dunn. Much sympathy is felt for the family as a brother of the deceased has been suffering for three months from lung trouble, and his condition is rather serious.

Everyone is quite busy this time of the year. Farmers are well advanced and many are through with their seeding.

The great feature of the day is the big time expected to take place at New Carlisle, June 22nd, in honor of the King's Coronation. As this is not simply a local affair but a county one, great preparations are being made by the different communities for a grand celebration. The committee has secured the Chatham Band for that day and everything points to a grand success.

We are sorry to say our Bank manager, Mr. McDonald, is about to leave us. He has been with us only a short time, but has made many friends. We understand Mr. Wood will take his place. Mr. McDonald took a lively interest in singing, and the Presbyterians here will miss him. We wish him every success.

T. J. Caldwell went to Gaspe today on business.

Wedding bells in the near future.

GLENCOE

Several moose and deer were seen here this week.

Miss Mary Firth spent the week-end at her home here.

Mr. B. D. Earle, a Pine Hill student, conducted a prayer meeting at Mrs. Firth's last evening.

Mr. and Mrs. Ferguson Chamberlain and Master Roy paid a flying visit to Glencoe last week.

BALMORAL

Mr. Alex. Arseneau and family of Oconto, Wis., are settled in their new home and seem to be very fond of the place. They have bought a farm in the lower part of the Parish.

Mr. Z. Laurent, blacksmith in St. Moise, was here this week.

Mrs. C. Fournier, who was visiting her daughter in Sandy Bay, P. Q., since last August has returned home.

Coun. D. A. Arseneau made a successful visit to his lake in Dundee, accompanied by Mr. John Arseneau last week and returned with a good catch of trout.

School Inspector J. F. Doucet of Bathurst, accompanied by his wife, was visiting schools of Balmoral this week.

Mr. Jos. Bernard visited Bathurst last Saturday.

Dr. Doucet and Mr. Alex. LeBlanc of Dalhousie were here last Sunday to attend a meeting of A. C. F.

ROBINSONVILLE

The roads which have of late been dusty have been now turned very muddy by the many rain storms.

Mr. Tommy Firth who has spent the Spring in Grog Brook has just returned home.

Miss Grace Murray has spent the last week at her sister's, Mrs. Geo. R. Thomas.

Miss Iva MacDonald who has been with us the last nine months as teacher has decided to resign her position here. Because of youth and inexperience Miss MacDonald has found the work very

hard at times we fear. But we honor her for her determination to see the thing through. And it is not in our power to keep her with us, yet we all join in wishing her great success in the future. Miss MacDonald has shown herself unusually kind and generous towards children.

The fishermen are coming to their different camps along the main river.

Mr. James McNaughton is having his house painted and repaired.

ZAM-BUK SAVED THIS BABY

Mr. M. Barrett, of Montreal, says: "A horrid rash came out all over my baby's face and spread until it had totally covered his scalp. It was itching and painful, and caused the little one hours of suffering. We tried soaps and powders and salves, but he got no better. He refused his food, got quite thin and worn, and was reduced to a very serious condition. I was advised to try Zam-Buk, and did so. It was wonderful how it seemed to cool and ease the child's burning, painful skin. Zam-Buk from the very commencement seemed to go right to the spot, and the pimples and sores and the irritation grew less and less. Within a few weeks my baby's skin was healed completely. He has now not a trace of rash or eruption, or sores, or burning sores. Not only so, but cured of the tormenting skin trouble, he has improved in general health."

Zam-Buk is sold at all druggists and medicine vendors, grocers, or post free from Zam-Buk Co., Montreal, Quebec, Canada. For the full directions, see box, bottle, and for price, for all skin troubles, cuts, burns, rashes, and for price.
