

# AFTER DOCTOR'S FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her.

Midgie Station, N. B.—One can hardly believe this as it is not natural, but it was my case. For ten months I suffered from suppression. I had different doctors, tried different medicines, but none helped me. My friends told me I would go into a decline. One day a lady friend told me what your medicine had done for her, so I wrote you for advice and received your reply with pleasure.

I started taking Lydia E. Pinkham's Vegetable Compound, and at the second bottle showed improvement. Now I am regular and newer was so well in my life, thanks to Mrs. Pinkham's medicine.

Please publish my letter for the benefit of others.—MRS. JOSIAH W. HICKS, Midgie Station, N. B.

Indian Head, Sask.—Lydia E. Pinkham's Vegetable Compound is indeed a boon to women who suffer from female ills. My health is better now than it has been in my five years of married life and I thank you for the good your advice and medicine have done me. I had spent hundreds of dollars on doctors without receiving any benefit.—MRS. FRANK COOPER, Box 448, Indian Head, Saskatchewan.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound.

HARRIS & CO. PROPRIETORS

WATFORD, MARCH 8, 1912.

Unprecedentedly High.

The Department of Labor's price record for January shows the general price level the highest known probably within the present generation, certainly since the early eighties. Since the middle of June last a pronounced and continuous upward movement has been in progress, and though there was a short breathing spell in December, January now shows the highest level of all.

The Department's index number which is based on the observations of fluctuations in 261 commodities selected for their representative character rose to 131.0 in January, that is, general prices were 31 per cent. higher in that month than was the average for the decade 1890-1900, which is taken by the Department as the standard of comparison in constructing its number. Compared with prices in 1897, the lowest year in the past quarter century, prices are now at least 45 per cent. higher.

The recent rise is particularly serious from the cost of living standpoint, inasmuch as it is due to indus-

trial expansion having enhanced the price of materials, while the reported shortage in the world's crop has produced a like effect on the price of foodstuffs.

## POINTED PARAGRAPHS.

Back talk seldom helps a man to get to the front.

Complain without cause and you will give others cause for complaint.

By trying to make a touch many a man has discovered a friend's sore spot.

The line separating right from wrong seems to be invisible to a lot of people.

A pretty girl is apt to feel sorry for any young man who doesn't admire her.

It sometimes happens that only his wife knows whether a man is a good thing or an easy mark.

Cur idea of a polite man is one who won't tell a woman the truth when she asks what he honestly thinks of her.

Probably nineteen twentieths of the happiness you will ever have you will get at home. The independence that comes to a man when his work is over and he feels that he has run out of the storm into the quiet home, where he can rest in peace with his family, is something real. It does not make much difference whether you own your house or have one little room in that house, you can make that little room a home to you.

## Beware of Ointments for Catarrh That Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by all Druggists, 75c.

Take Hall's Family Pills for constipation.

## Misplaced Perseverance.

"Gran'pa, your talk about 'perseverance winning' is all nonsense."

"Why, child?"

"Here I've worked all afternoon blowing bubbles and trying to pin 'em on mother's hat."

## The Worst of It.

"I understand young Spendit has gone such a pace that his father cuts him now."

"Yes, but what is worrying Spendit is that his father cuts his allowance too."

## Question for Question.

Creditor—How often must I climb these five flights of stairs before I get the amount of this little account?

Debtor—Do you think I am going to rent a place on the first floor to accommodate my creditors?

It has been said you can't improve on nature yet there are thousands of successful poultrymen who declare the artificial method of hatching eggs is far superior to the natural way.

Petrols, Feb. 28.—Frank Miscal, son of John Miscal, farmer living on the 8th line east of here, took his life by hanging himself from a beam in the barn. The victim was found by his brother Howard. Miscal was 27 years of age and had several times been a patient at the London Hospital for the Insane.

How much better is a plain, quiet Christian home where all is peace and cordiality, the neighbors heartily welcome to come and go at will, and freed from the pestering, senseless conventionalities of married life! Why should our earthly life, which at best cannot be continued a hundred years, be fretted and burdened and worn out prematurely by vain efforts to ape the manners of the idle, irreligious, self-seeking, rich devotee of pleasure?

A Toronto man in company with a friend was driving a big car along a road in the interior of Hastings County, when they met an old-fashioned high carriage in which were an old-fashioned couple. The frightened country couple jumped to the ground and the motor car came to a halt.

Observing the consternation of the startled couple, the owner left his car and stepped toward them.

"If you will let me," said he, "I'll lead your horse past our machine."

"Never mind the horse, stranger," said the countryman. "You lead my old woman past that thing and I'll get the horse by all right."

## Celestial Ingenuity.

"Dr. Wu Ting Fang," said a diplomat, "used to tell me many illuminating anecdotes about the Chinese character. I remember one about ingenuity."

"A Chinaman, the anecdote ran, found his wife lying dead in a field one morning. A tiger had killed her. The Chinaman went home, procured some arsenic and, returning to the field, sprinkled it over the corpse. The next day the tiger's dead body lay beside the woman's. The Chinaman sold the tiger's skin to a mandarin and its body to a physician to make fear cure powders, and with the proceeds he was able to buy a younger wife."

## Pekin's Stone Library.

There is one public library in Peking. It is the library of the Kuo Tze Chien, or "School for the Sons of the Empire," an ancient university that existed a thousand years before the Christian era. This library is of stone. On 182 tablets of stone are clearly carved all of the "Thirteen Classics," the summary and essence of all Chinese culture. This stone library itself is not of the age of the School for the Sons of the Empire, but probably dates from some time late in the Mongol or early in the Ming dynasty, about 600 years ago.

## A Giant Emperor.

Maximicus, the giant Roman emperor, could twist coins into corkscrews, powder hard rocks between his fingers and do other seemingly impossible things. When angered he often broke the jaw of a horse or the skull of an ox with his fist. His wife's bracelet served him for a ring, and every day he ate sixty pounds of meat and drank an amphora of wine, say the chroniclers.

## Siam's Garden Lands.

Much of the garden land in lower Siam is made by digging trenches to raise the ground, so that half is trench and half ridge, and only rice can be grown in the trenches. Thus practically only one-half of the garden land gives any return, yet the price of such land in the best localities is \$100 to \$350 an acre.

## Nautical.

Two naval officers were talking about their wives. "What a dear little craft your wife is!" said one. "Dear and little, did you say?" asked the other. "She is dear all right, but there is nothing little about her. Why, she is the biggest revenue cutter I have ever seen!"

## Not a Romance.

"Dear heart," murmured the woman. "Thirty cents a pound to-day," explained the butcher.

"That case perhaps you had better get me some liver."

Constipation is the root of many forms of sickness and of an endless amount of human misery.

## Dr. Morse's Indian Root Pills,

thoroughly tested by over fifty years of use, have been proved a safe and certain cure for constipation and all kindred troubles. Try them. 25c. a box.

## Deathly Cramps, Stomach was Bloating

A Bad Case That Proves Cramps and Stomach Disorders are Cured Fast by Nerviline.

"The distress I suffered from cramps last summer was so severe I thought it meant death," writes P. R. Emerson, of Guys Hill, P. O. "I was doubled up with pain and in such bad shape I couldn't walk a hundred feet. I remembered having Nerviline on hand and took half a teaspoonful in sweetened water. In five minutes I was well and my stomach derangements disappeared entirely."

## NERVILINE AN INSTANT RELIEF

For cramps, flatulence, diarrhoea and disorders of the stomach and bowels, Nerviline knows no equal—one million bottles used every year—fifty years on the market, that's proof enough of its merit. Large bottles, 50c., trial size, 25c. All dealers or The Catarthozone Company, Kingston, Ont.

Pope Pius has issued an order that all cardinals and other church dignitaries must decline to attend social functions where women are permitted to gather in decolette gowns. The Pontiff has long been opposed to the prevailing fashions in evening dress, and he believes that his order will have a tendency to do away with low cut gowns in Catholic circles.
