"The Store that Satisfies"

WHAT DOES A BEVEL GEAR COST? THE FORD OWNER SAVES \$12 THAT THE OTHER FELLOW HAS TO PAY FOR ONE

\$16.00—Average cost of the bevel gear of cars priced around \$1000 and less.

\$ 4.00—Cost of Ford bevel gear.

\$12.00—This stays in the Ford owner's pocket book.

Other Ford spare parts are just as low priced in proportion the 26 most called for parts altogether cost only \$8.04.

And less than a dollar a year as a total expense for spare parts is not at all an uncommon experience of Ford Owners.

Making Our Town Attractive

TO THE EDITOR GUIDE-ADVOCATE—DEAR SIR:—On different occasions you have advocated the above and some are making an honest effort to do so, by removing unsightly fences, planting trees and flowers, and cultivating lawns, etc. There are others who have no eye for the beautiful and will scatter newspapers on the streets to frighten horses and land up on the lawns and doorsteps of their neighbors, allow their dogs to run at large to dig up flower beds and howl after rigs the full length of our streets. For the past two years certain members of the "Tennis Club" have spent scores of hours fixing up the lot at the rear of the Methodist Church, on Ontario St. and yet after all their trouble about a week or ten days ago someone (when the ground was the softest) drove a horse and buggy in both directions across the Tennis Court, with a result that is evident to all. Surely Mr. Editor anyone who would deliberately do this, for it was deliberate, must have the bump of destruction abnormally developed, or have no regard either for beauty or other people's property. This is only a sample of what is going on in Watford at the present day, and it is up to the Council to appoint a constable without delay and to strengthen his hands in the enforcement of the law. I remain, yours, F. G. ROBINSON,
A member of the Tennis Club.

NEW STRENGTH IN THE SPRING

Nature Needs Aid in Making New Health-Giving Blood

In the spring the system needs a tonic. To be healthy you must have new blood, just as the trees must have new sap to renew their vitality. Nature demands it, and without this new blood you will feel weak and languid. You may have twinges of rheumatism or the sharp stabbing pains of neuralgia. Often there are disgusting pimples or eruptions on the skin. In other cases there is merely a feeling of tiredness and a variable appetite. Any of these are signs that the blood is out of order—that the indoor life of winter has lessened your vitality. What you need in spring is a tonic medicine to put you right, and in all the world of medicine there is no tonic can equal Dr. Williams' Pink Pills. These Pills actually make new rich, red blood—your greatest need in spring. This new blood drives out the seeds of disease and makes easily tired men, women and children bright, active and strong. Mrs. Eugene Cadrette, Amherstburg, Ont., says: "I suffered for a long time from dizziness, pain in the back and sick headache, and nothing I took did me any good until I began Dr. Williams' Pink Pills. These cured me after taking six boxes and I now feel better than ever I did in my life. I had fallen off in weight to 82 pounds, and after taking the Pills I had increased to 100 pounds." These Pills are sold by all medicine dealers or can be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Long Standing Asthma. Many have suffered so long from asthma and have tried so many so-called remedies they think that there is no real help for them. They should read the letters received by the manufacturers of Dr. J. D. Kellogg's Asthma Remedy from hundreds of cases once as desperate as their own. Even in long-neglected cases this famous preparation brings prompt help.
