THE FROST PROOF WATER JACKETED ENGINE (Gas or Kero.) Non-Freezing Feature- The cooling jacket is so constructed that if allowed to freeze solid, the jacket or cylinder will not be injured by frost. A positive guarantee against damage by frost is given with every machine. LLOYD MANUFACTURING Co., Limited Agents. Kentville, N. S.

Write for list of farms NOW, pick out your farm from the list and come and look it over soon as the snow is gone: this is what dozens have already done. YOU had better do the same, in this way you won't lose valuable time hunting for what you want when you should be on the land. Start early in the SPRING as the very farm you want may be sold.

Fruit Farms, Dairy Farms, Mixed Farms and Stock Farms.
