advasable to effect a permanent organiza-tion until all bodies likely to ecooperate in the movement are represented. It is expected that delegates will be sent from the likitict same bly of the K, of L and the Woman's Enfruchment Associa-tion, The following resolution was unanti-tion. The following resolution was unanti-mously adopted; "Receled, that, in view of the havenship results to the civic reveof the favorable results to the civic rove of the lavorable results of the atreet rail-may since it came into the possession of the public, this committee strongly urges upon the city council the retention of the franchiso until the experiment of city nanagement can be fully tried and the

Ov Friday last an informal gathering,

Os Friday last an informal gathering, comprising about forty lativas and gentlemen, was held at the resoluces of Mr. It. Maclounell, Summyide, Partdale, and under the auspices of the West End Woman's Enfrachmentent Association, of which Mrs. Macdonnell is a positional member, for the purpose of latening to an address by Dr. II. Augusta Kundall, of Chengo, on the subject of "National-time Dr. Stone Gullen occupied the chair, and in a short and appropriate speech introduced the speaker of the ovening. Her address was a graphic and well-reasoned presentation of the induswell-reasoned presentation of the mode trial abuses of the present day, and the benefits which would accrue from the catablishment of the industrial common-nealth on the principle of recognizing the right of every man to employment and an equal share in the product of the labor of all. A long and highly interesting dis-cussion followed, many objections being all. A long and highly interesting dis-cussion followed, many objections being mixed and questions put, which were readily met by the speaker, whose remarks also ed a thorough greap of the under-liging principles of Nationalsum. Act to loce a hearty vote of thanks was passed to Dr. Kimball, and after participal of referentment the party broke up, well pleased with the avening's entertainment. It is to be regretted that more medina-It is to be regretted that more meetings of this character are not held in connec-tion with the social reform movement, as
