The Winter's Cut on Lake St. Clair.

It is estimated that about five million feet of cottonwood, sycamore, basswood and elm has been cut this winter in Essex county along the shore of Lake St. Clair for manufacturing into hoops and heading. It will be rafted next summer to Detroit and Trenton mills.

FACT STRANGER THAN FICTION.—It is a fact that Alonzo Howe, of Toledo, had a fever sore that afflicted him for thirty-five years. Six bottles of Burdock Blood Bitters cured him, which he considers almost a miracle. It was but the natural result of the remedy restoring pure blood and perfect secretion.

A FAVORITE EVERYWHERE.—Wherever introduced Hagar's Yellow Ointment finds it is the old reliable household remedy for external and internal use in all aches, pains, lameness and soreness of the flesh. A. L. Geen, a prominent druggist of Belleville, says: "It is a great favorite here, and has a good sale."
