TO RUPTURED PERSONS

Testimonial from a well-known Citizen. To J. Y. Egan, Truss Manufacturer, Etc., 203 Queen Street West, Toronto, Ontario.

DECEMBER 30th, 1900. DEAR SIR—My case was a severe one. Every effort of others only increased the trouble. They failed to hold me in every instance. They either did not understand my case or lacked the requisite skill. My impression is—all other trusses, at least those which I tried, are designed on false principles. You divided the difficulty at once, your first effort being crowned with success. It is now about four months since you adjusted my appliance and during all that time not the slightest appearance of trouble; previous to this I had not known one day's comfort for years. I can now safely attend to my business while wearing your grand appliance. In fact it is so easy and comfortable I am not physically conscious of wearing it—such a contrast to all others which were simply tortures without any redeeming qualities. The interest you evinced, the attention you have given, and your success in my case compels me to give you permission to publish these few lines as a slight acknowledgment of your skill, and as an encouragement to other sufferers to consult you and be relieved. Very truly, ALEX. GIBB, Prop., Etc., Carlton Hotel, Yonge St., Toronto, Ont.
