ATLAS OF THE WORLD

CONTAINING

24 Pages of Maps in Colors

WEBSTER DICTIONARY

CONTAINING

12 Departments and 50,000 Words.

ATLAS OF THE WORLD, AND CITY GUIDE.

This is the most comprehensive and valuable book of its kind ever published. The maps are not cheap prints—they are printed just as finely as those in books 10 or 100 times its size—are all in four and five colors. The maps cover not only the world in a general way, but many of them are in detail, showing the most important points in the whole world which anyone might want to find. The City Maps show the streets and places of special interest.

STATISTICAL AND GENERAL INFORMATION.

In addition to the maps and possibly of less valuable, is a fund of statistical and other facts of great value for daily or weekly reference. Among the subjects treated are: Area and population of all the countries, and percentages of increase during the last decade in each state in the United States. Also the population of the United States at each census from 1810 to 1890; amount of money in the United States, the debt, interest, receipts, expenses, gold and silver coinage and production, pensions, merchandise exports and imports, etc. It contains 64 pages, handsomely bound in imitation leather, and is especially designed for pocket use.

SAMANTHA AT SARATOGA

THE MOST

Humorous Book of the Age

(CUT SHOWS BOOKS ON A REDUCED SCALE.)

THE COMPREHENSIVE WEBSTER DICTIONARY.

While it does not contain so many words, nor such exhaustive definitions as the larger dictionaries, it contains nearly every word in common usage, and fully answers the purpose of at least three out of every four people.

A new device shows the plural forms of all the nouns. Another points out about 5000 especially difficult words; but the greatest of all achievements in modern dictionary making is the addition of 25,300 words to this dictionary by means of a single page, called the "Columbian Word-Builder."

TWELVE DEPARTMENTS.

It is not only a dictionary, but a pronouncing and statistical gazetteer of the world, giving the correct spelling and pronunciation of the name of every country, state and province in the world, together with its area, population and capital; also a list of the large cities of the world. It also contains twelve departments, as follows: 1. Abbreviations; 2. Pronouncing Dictionary; 3. Proper Names; 4. Gazetteer of the World; 5. Large Cities; 6. Parliamentary Rules; 7. Business Instructor; 8. Social Etiquette; 9. Letter Writer; 10. Use of Capitals; 11. Punctuation; 12. Postal Guide.

It contains 162 pages, handsomely bound in imitation leather covers, and is especially designed for pocket use.

SAMANTHA AT SARATOGA

Contains 272 Pages and Over 100 Illustrations.

"Samantha at Saratoga" was written under the inspiration of a summer season 'mid the world of fashion at Saratoga, the proudest pleasure resort of America, where princes of the old world, with congressmen, presidents, millionaires, railroad kings and princes of their wives, their beautiful daughters, and all the gayest butterflies of fashion, luxuriate in balmy breezes, display their personal charms, costly jewels, exquisite equipages, and revel in all the extremes of fashionable dissipation.

No humorous writer of modern times is so popular with the masses as is "Josiah Allen's Wife," and this is by far the best book she has ever written. It contains a number of funny illustrations, by Oppen, of Puck, is handsomely bound in stiff paper covers and is without doubt the funniest book of the century.

Over 150,000 copies of this great book have been sold in cloth at \$2.50 each, but lately, to put it within reach of everybody, it has been published in some- what cheaper form. The new edition gives all the reading matter and all the illustrations, the same as the book which sold at \$2.50.
