Scientific and Useful.

EGG LEMONADE.—White of one egg, one tablespoonful of pulverized sugar, juice of one lemon, one goblet of water. Beat together.

CREAM CAKE.—One teacupful of sugar, two eggs well beaten together; one cupful of rich, sour cream; one-half teacupful of soda dissolved in one tablespoonful of boiling water. Stir all well together and add enough flour to make it drop easily from the spoon. Bake in a moderate oven.

FRANK C. SWAN, APOTHECARY, Haverhill, Mass., says: "WISTAR'S BALSAM OF WILD CHERRY sells better than any other cough remedy. I can recommend it. I have used it and sold it for thirty years."

APPLE DUMPLINGS.—Three teacupfuls of flour, two heaping teacupfuls of baking powder, one tablespoonful of butter mixed well through flour, and one teacupful of salt. Mix with sweet milk to a dough stiff enough to roll out upon the moulding board. Roll into a sheet half an inch thick, spread with chopped apples. Roll dough up as you would roll rolled jelly cake. Pinch ends well together, so juice cannot escape. Place in a well-buttered steamer and steam one and one-half hours. Serve with cream or milk and sugar, or hard sauce.

MANY persons in Pittston are using Ely's Cream Balm, a Catarrh remedy, with most satisfactory results. A lady is recovering the sense of smell which she had not enjoyed for fifteen years. She had given up her case as incurable. Mr. Barber has used it in his family, and recommends it very highly. A Tunkannock lawyer, known to many of our readers, testifies that he was cured of partial deafness. —Pittston, Pa., Gazette.

A NICE way for using the remains of cold meat is to chop the meat very fine with some ham or other bacon; add a little salt, Cayenne pepper, nutmeg, parsley, a small onion chopped fine, a few bread crumbs and two well beaten eggs to a pound of meat. Put in a saucepan with two tablespoonfuls of cream and two ounces of butter. Stir over the fire for five minutes. Let the mixture get cold, and put it into a light paste in the form of patties.

It is easy for any one to make \$5 and upward per day, who is willing to work. Either sex, young or old; capital not needed; we start you. Everything new. SWEDISH ROLLS—One pint of boiled milk, one half cup of butter and one quarter cup of sugar creamed together. Add the whites of two eggs beaten stiff and one half cup of compressed yeast dissolved in a little warm water. Stir in flour enough to make it stiff enough to knead until smooth; set it to rise. When well risen roll out one-half inch thick, spread with sugar, spice, a little grated lemon, or a few currants. Roll up like jelly roll, cut in slices an inch wide, let them rise, and bake in a quick oven.

OUR LADY FRIENDS will be interested in knowing that by sending 20 cents to pay postage, and fifteen top covers of Warner's Safe Yeast (showing that they have used at least fifteen packages), to H. H. Warner & Co., Rochester, N. Y., they can get a 500 page, finely-illustrated COOK BOOK, free. Such a book, bound in cloth, could not be bought for less than a dollar. It is a wonderfully good chance to get a fine book for the mere postage, and the ladies should act promptly.

VERY DELICATE MUFFINS—Beat one teacupful of butter and one of sugar to a stiff cream; beat four eggs very light—yolks and whites separately—and beat them into the sugar and butter until quite light. To four quarts of flour put one half teacupful of salt. Pour into the middle of the flour a cup of good home-made yeast—whatever yeast you are accustomed to use—as much as you usually take for four quarts of flour; then stir in the sugar, butter and eggs, with two quarts of sweet milk. Let it rise over night, and bake in well-buttered muffin risers in the morning.

\$500 REWARD
is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache.
Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."
Prof. W. HAUSNER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."
THOMAS J. RUSHING, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.
Eli Robbins, Runyan P. O., Columbia Co. Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
