OUR COMPOUND OXYGEN IDEA

Is that the air which keeps us alive, will, when enriched with more oxygen and magnetized, make us more alive—restore health and strength. That our Compound Oxygen (not its worthless imitations) will do this, we can convince any well person who is able to believe other people, or any sick person who is able to believe his own feelings. Do you need better health? Write for our Treatise, and proof. Sent free by Canada Depot, 72 Church St., Toronto.
