**SABBATH SCHOOL REGISTERS  
AND RECORDS,**

PREPARED BY THE  
Sabbath Sch. of Committee of the General  
Assembly of the Presbyterian Church  
in Canada

The Committee, recognizing the importance of the  
facts that while there are about 1,905 places at which  
the gospel is regularly preached, last year, by Pres-  
byterian ministers in Canada, there were reports  
from only 97 Sabbath Schools and of that number  
only 42 are reported as having contributed anything  
to the missionary schemes of the Church, have re-  
cently given much attention to the matter of record-  
ing and reporting the work done in the Sabbath  
Schools. The average contribution from all the chil-  
dren of the Church during last year was only 10 cents.  
These facts show that a great deal has yet to be done  
to bring our Sabbath School system into a thorough  
condition of efficiency. To attain this end, the As-  
sembly's Committee has prepared a series of Records  
and Reports which are recommended for use by Sab-  
bath Schools and Presbyteries, the adoption of which,  
it is hoped, will be productive of good results. The  
following is a description of them, with the prices  
for which they may be obtained.

1. "The Sabbath School Class Register," for use by  
the Teacher, containing recording columns for a  
whole year. The names and addresses of the chil-  
dren require to be written only once during the year.  
Price, 15 cents.

2. "The Sabbath School Record," for use by the  
Superintendent or Secretary. This Record, to be  
filled up each Sabbath from the Teachers' "Class  
Register," has columns to correspond with those of  
the "Class Register," in which a permanent record  
is kept of the School Attendance, Recitations, Church  
Attendance and Contributions of all classes. And  
from this "Record" the Quarterly and Annual Re-  
ports are to be filled up. Price, for a book to last  
one year, in paper covers, 25 cents; quarter bound,  
40 cents.

3. "The Quarterly and Annual Sabbath School  
Summary and Report," to be filled up from the pre-  
ceding at the end of the quarter and the year. This  
will show, at a glance, the statistics and results of  
each quarter and the whole year. It consists of two  
parts: a Summary to be retained in the School, and a  
Report to be torn off at the end of each quarter  
and of the year, and sent to the Convener of the S.  
S. Committee of the Presbytery in which the School  
is situated. The work of reporting, by the adoption  
of this system, will go on during the whole year,  
and the Presbytery's Convener thus be in constant  
communication with all the Schools. Price of this  
Summary and Report in a book to last four years,  
in paper covers, 25 cents; quarter bound, 40 cents.

4. "The Sabbath School Register and Quarterly  
Report," to be used by the Convener of the Presby-  
tery's S. S. Committee. This contains columns in  
which the names of all the Schools of the Presbytery,  
with the names and addresses of the superintendents,  
and the Quarterly and Annual Reports may be regis-  
tered; and it will afford the materials from which the  
Presbytery's Annual Report to the Synod and Assem-  
bly may be prepared. The price of this, in a book to  
last for nine years (i. e., in those Presbyteries where  
one page will contain all the Schools) will be quarter  
bound, \$1.25; half bound, \$1.75.

N.B.—To Schools ordering a set, a discount of ten  
per cent. will be allowed. This system does not claim  
to be perfect, and suggestions for its improvement  
will be gladly received by the Assembly's Commit-  
tee (Rev. Dr. JARVIS, Brockville, Convener).
