## A Quadruple Fake

It's a popular delusion that plated ware stamped Quadruple has been plated four times.

It's not the case. There is nothing to prevent a dishonest manufacturer from stamping Quadruple on the flimsiest plated ware, **But** if you see this trade mark  W. ROGERS.

on knife, fork or spoon you may know that the plate is of the best quality—the kind that will look well in 20 or even thirty years. Its the trade mark and guarantee for this class of plate of the celebrated silversmiths.
