OFFICE, MERCHANTS' EXCHANGE.

The Agency of this Institution differs widely
from an Agency as commonly conferred by parent
Institutions abroad. The General Agent, together
with the Local Boards as above, by Power of
Attorney executed by the London Court, are fully
authorised to act on behalf of the Society; so that
for all practical purposes this Agency is essen-
tially a Colonial Company, strengthened by a
large bona fide capital safely invested in London.

Agents and Medical Examiners have been ap-
pointed throughout Canada, and the other Colo-
nies; and proposals for Insurance will be trans-
mitted the General Agent, and Premiums received
by the Agents, through whom pamphlets and
blanks can always be obtained.

Life Assurance may be effected with the Society
in the following different methods.

Life Insurance may be effected by the pay-
ment of one sum only for Life, or by an Annual
Premium, or by half yearly or quarterly Pre-
miums.

A Life Assurance may be effected on the Life
of another person. Premiums payable at option
of assured in the above-mentioned ways.

A Life Assurance may be effected on two or
three lives jointly in one Policy, the sum assured
being payable to the survivor.

In any of these forms parties may participate
in profits or not, at their own option.

A Life Assurance may be effected on the s: ale
called the "withdrawal," in which the assured may
at any time act upon the "Loan Fund" of the
Society to the extent of one half of his Annual
Premium as a Cash Credit without security, per-
sonal liability or deposit of Policy: for example,

a person insured in this form, provided he pays
the full Annual Premiums for ten years may for
the next ten years keep alive his Policy without
the payment of any Premium whatever, but he
will be required to pay the simple interest on the
Annual Premium unpaid.

Annuities granted either immediate, deferred
or contingent.

Applicants are not charged for Medical Exam-
ination.

Thirty days allowed for payment of Premium
after it falls due.
