

RAINCOATS and Shirt Waist Suits

OUR RAINCOATS

are modelled on the NEW YORK idea about Raincoats. In London they are a little too plain and severe we think. You will like ours. Nothing extreme about them, mind you. We have taken the styles we liked best and made good, sensible, stylish-looking Raincoats at moderate prices.

Our Shirt Waist Suits

are proving wonderfully popular. You see, you can buy a suit complete at a moment's notice, and pay but little more for it than you'd pay for materials you'd hire a dress-maker to spoil. And there's lots of style in our shirt waists suits, too.
