Personal.

DR. GIBB WISHART has returned from New York.

DR. REAR has located at No. 10 Carlton Street.

DR. A. E. MALLORY has been appointed Registrar of East Northumberland.

SIR SPENCER WELLS has been appointed a Deputy Lieutenant of the new County of London.

SIR RICHARD CARTWRIGHT has been elected President of the Women's Medical College of Kingston.

DR. JOHN ASHHURST, JR., will succeed Dr. Agnew in the Chair of Surgery in the University of Pennsylvania.

DR. G. A. FERRE has been appointed an Assistant Demonstrator of Anatomy, Medical Faculty, Toronto University.

DR. T. GAILLARD THOMAS has resigned his position as Surgeon to the Woman's Hospital in the State of New York.

DR. N. A. POWELL has been appointed to the important position of Demonstrator of Anatomy in Trinity Medical College.

DR. MONTAGUE, M.P. for Haldimand, was declared unseated by the Supreme Court on account of the corrupt act of an agent.

DR. ARVID KELLGREN, a distinguished graduate of the University of Edinburgh, has been appointed Physician to the Empress of Austria.

It is mentioned as probable that Prof. Schrötter, the laryngologist, will be appointed to fill the Chair of Medicine in the Vienna University.

DR. H. O. WALKER, late of Dundas, but at present with Mr. Lawson Tait, was last November elected a life member of the British Gynecological Association.

THE following Canadian graduates were recently granted certificates to practice medicine in the State of California: Nov. 7th, Dr. George Wright, North Ontario; Dec. 5th, Dr. George J. Charlesworth (Trinity, 1885), Riverside; Dr. John Macleod (Bishop's College, 1877), San Francisco; Dr. Wm C. McGillis (Bishop's College, 1881); Dr. Henry Holmes Scott (Victoria, 1860), Riverside, and Dr. John D. Wilson (Trinity, 1885), Riverside.

At the last meeting of the Senate of the University of Toronto, Mr. Wm. Mulock was by a unanimous vote re-elected Vice-Chancellor. The very cordial unanimity manifested was a fitting tribute to one who has done so much in recent years to place our Provincial University in its present proud position. To none did it give more satisfaction than to the members of the Medical Faculty, who have good reason to remember his valuable services in behalf of the Medical College.
