Mrs. F. SILVER, of Hantsport, writes:—"My daughter had a severe cold and injured the spine so she could not walk, and suffered very much. I called in our family physician, he pronounced it inflammation of the spine and recommended Minard's Liniment to be used freely. 8 bottles cured her. I have used your Minard's Liniment for a broken breast, it reduced the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from same severe trouble."

DEATHS.

EMERY.—At her son's home, 200 King street, (East), St. John, N. B., Nov. 5th, in her 80th year, Margaret, widow of the late Andrew Emery, and mother of our beloved O. B. Emery. She, with her husband, was baptized by Bro. Patterson, on Christmas day, 1864, and until the day of her death lived and walked trusting in Him who is the resurrection and the life. She was quite conscious up to a short time of her death. She spoke calmly of her departure, feeling that her sufficiency was in Christ, died in the full assurance of having a "home over there." Her remains were kept till the 9th to give opportunity for her sons and other relatives to be present at the funeral, when a large number of friends assembled to sympathize with the sorrowing and pay their last tribute of respect to the departed. T. H. C.

Etherington's Adjustable Spring Bed.

The Spring Bed consists entirely of

STEEL SPIRAL SPRINGS,

which lock on the slats of a common bedstead; making a most DESIRABLE BED WITH BUT A SINGLE MATTRESS, thus a saving in the price of bedding. They are the best laying, the most easy, most comfortable, most elastic, the cleanest and the easiest cleaned, the best ventilated (therefore the most healthy), the most durable, the cheapest and the easiest repaired. Most adjustable, as it fits all bedsteads without regard to width or length, and is perfectly noiseless. It can be packed in a trunk 16 inches square, so the most portable; no hiding place for vermin, no sagging to the centre, no slats to become bent and remaining so, but can be adjusted to the unequal weights of the occupants, permitting them to lie on the same level. On all points of merit we solicit comparison with any other Bed in the market.

All orders by mail will receive prompt attention.
