Birks Wedding Rings

All Birks' Wedding rings are made of solid 18 karat Gold. They are made in three styles, viz: The "American" style which is flattened inside; the "English" Style which is a narrower, thicker ring, rounded inside; and "Birks'" Style which is a combination of both. While all three styles are in vogue, present taste undoubtedly favors The "Birks'" Style.

Selections will gladly be sent upon approval to out of town customers. Mail orders receive prompt attention. Ring Size Card free upon request.
