GUELPH

Business College

GUELPH - - - ONTARIO

Students may enter at any time with equal ad-
vantage.

The demand for our graduates is greater now than
at any former time, because the quality of our work
is more widely known.

In view of the superior advantages afforded, our
rates of tuition are the most favorable offered by any
self-supporting Canadian institution.

The tuition given in our Modern Language De-
partment is, alone, worth the entire cost of tuition in
all the subjects taught.

The development of sterling character is the foun-
dation principle in our system of training; hence the
confidence with which our graduates are everywhere
received.

The self-supporting school is the only educational
institution founded on a basis of absolute justice.
Standing on this basis, and on the genuine merit of
its work, the "Guelph Business College" respect-
fully solicits public patronage.

The Annual Circular, giving full information, and
illustrated with beautiful specimens of our pen-draw-
ing, will be sent free to any address on application
