MESSRS. FERRIS & Co.,

DEAR SIRS.—About two years ago I was in Philadelphia, and while there I bought one of your Steam Washers, and brought it home to my wife. She has been using it ever since, and is well pleased with it. It does all you claim for it, and every family should have one, for the saving on clothes every few months would more than pay for the machine.

**- HIP -  
JOINT DISEASE**

**And Spinal Curvature.**

This cut represents Master Garneau, of Guelph, Ont.

For several years he was a victim of the above disease, and was treated by the best skill in and around the City of Guelph. The disease steadily progressed, and when Dr. McCully took the case the boy was a deformed cripple. Mr. Le Maitre, of Yonge Street, Toronto, took the photo from which this cut was made, and we are happy to be able to refer to him as a witness that the boy is sound and well and without any deformity.

Again Dr. McCully wishes to point out to the diseased the fact of the ignorance and stupidity of the so-called

**First-class Medical Skill**

ground out and being ground out in Ontario. The only reason why the doctors did not cure this boy was because they neither understood the cure nor the application of the remedy for cure.

Dr. McCully's field is Chronic Diseases and Deformities of every part of the human body. Diseases of Women, and Diseases arising from the Indiscretions of Youth and Matured years.

ADDRESS,

**Dr. McCully,**
