DR. HALSEY'S GUM-COATED FOREST PILLS.

SUPERFLUITY of Bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person gets bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills, is sufficient to keep a whole family from bilious attacks and sickness, from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills for a child; from 3 to 4 for an adult; and from 5 to 6, for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall-bladder, and carry all morbid, bilious matter, from the stomach and bowels, leaving the system strong and buoyant—mind clear; producing permanent good health.

In 1845, Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will of Dr. Halsey's Pills had gained, by curing thousands of disease.

The public are now most respectfully notified, that Dr. Halsey's genuine Pills will henceforth be coated with GUM ARABIC, in every respect, supercedes Sugar, both on account of its healing virtues, and its durability. The discovery of this improvement, is the result of a succession of experiments, during three years. For the invention of which, Dr. Halsey has been awarded the only patent ever granted on Pills by the Government of the United States of America.

The Gum-coated Forest Pills presents a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-coated Pills.—The Gum-coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all impositions, and to obtain Dr. Halsey's true and genuine Pills, see that the label of each box bears the signature of G. W. HALSEY.

Reader!!! If you wish to be sure of a medicine which does not contain that lurking poison, Calomel or Mercury, purchase HALSEY'S GUM-COATED FOREST PILLS, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, seek for HALSEY'S PILLS.

If you would have the most concentrated, as well as the best compound Sarsaparilla Extract in the world, for purifying the blood, obtain DR. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be subjected to a Physician's bill of 20 or 50 dollars, take a dose of DR. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakness, procure HALSEY'S PILLS, and avoid Salts and Castor Oil, and all common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, DR. HALSEY'S PILLS are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitutions. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourself with DR. HALSEY'S PILLS, as a safeguard against sickness.
