THE LIFE OF ST. ELIZABETH OF HUNGARY,
by the Count de Montalembert. The Life translated by Mary Hackett, and the Introduction, by Mrs. Sadler. 12 mo., of 427 pages, with a fine steel engraving. Cloth, 5s.; cloth gilt, 7s. 6d.

The first edition of Three Thousand having all been sold, and there being many calls for the work, we have put to press a New Edition. The translation has been read over with the French copy and carefully corrected.
O the merits of the work, we can safely say, that no biography ever issued from the American Press equals it—it is as interesting as a romance.
The Press have been unanimous in praise of the first edition. We give extracts from a few of them:—
"The book is one of the most interesting, instructive, and edifying that have been produced in our times, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste; and breathes the firmest faith and the most tender piety. His work is as refreshing as springs of water in a sandy desert. . . . Let every one who can read purchase and read this beautiful life of one of the most lovely and most favored saints that have ever been vouchsafed to hallow our earthly pilgrimage."
—Brownson's Review.
"The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadler's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the life itself, we cannot speak too highly. The exquisite character of 'the dear St. Elizabeth,' (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears to the heart. We do not think there is any book of the kind in English, at all to be compared to this 'Life of Saint Elizabeth.'" —American Ed.
"We might say much in praise of the narrative and life of St. Elizabeth, attending which, from the beginning to the end, is a charm which cannot fail to attract and secure the attention of the reader, did not the well known abilities of this distinguished author render it unnecessary. . . . We cheerfully recommend the work to our readers."
—Pittsburg Catholic.
"This magnificent work of the great French Tribune of true liberty, has at last been translated into English. The name of its Author is a sufficient guarantee for the value of the work. Montalembert is one of the lights of the age—a man who combines rare power of intellect, with unswerving devotion to the cause of liberty and the Church. . . . Let every one who desires to study the spirit of the Middle Ages, read this book."

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of ROXBURY, has discovered in one of the common pasture weeds a Remedy that cures
EVERY KIND OF HUMOR.
From the worst Scrofula down to the common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two bottles are warranted to cure the worst cancer in the mouth and stomach.
Three to five bottles are warranted to cure the worst case of erysipelas.
One to two bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure tanning of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruption of the skin.
Two or three bottles are warranted to cure the worst case of ringworm.
Two or three bottles are warranted to cure the most desperate case of rheumatism.
Three or four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
DIRECTIONS FOR USE.—Adults, one table spoonful per day. Children over eight years, a dessert spoonful; children from five to eight years, tea spoonful. As no direction can be applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. Kennedy gives personal attendance in bad cases of Scrofula.
KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY.
For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed.
For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days.
For Salt Rheum, rub it well in as often as convenient.
For Sores on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor.
For Scabs: these commence by a thin, acrid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in.
For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color.
This Ointment agrees with every flesh, and gives immediate relief in every skin disease flesh is heir to.
Price, 2s 6d per Box.

AYER'S CHERRY PECTORAL,
FOR THE RAPID CURE OF
COUGHS, COLIC, AND
HOARSENESS.
BOSTON, MASS., 20th Dec. 1855.
DR. J. C. AYER, I do not hesitate to say that the best remedy I have ever found for Coughs, Hoarse-ness, Lung, and other complaints, is Ayer's Cherry Pectoral. Its constant use in my practice and my family has shown me its superior value. I have used it with the most successful results in the treatment of these complaints.
E. H. KNIGHT, M. D.

Croup, Whooping Cough, Influenza.
BROTHER AYER: I will cheerfully testify that this is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicines to our people.
AMOS LEE, Esq., Montreal, La. Times, 3d Jan., 1856: "I had a tedious Influenza, which rendered me almost insupportable for several days. I tried several medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle did the cure completely. You are the only physician as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis.
WEST MANCHESTER, Pa., Feb. 4, 1856.
SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now coming to be recommended as a specific in the last forty years.
HENRY L. PARKS, Merchant.
A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."
We might add volume of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.
Consumption.
Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.
ASTOR HOUSE, NEW YORK CITY, March 5, 1856.
DEAR DR. AYER, Lowell: I feel it a pleasure and a relief to inform you that your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, who we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.
Yours, with gratitude and respect,
ORLANDO SHELDON, of SERRATAVILLE.

Ayer's Cathartic Pills.
THE science of Chemistry and Medicine have been taxed to their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines of every day. Many eminent Clergymen and Physicians of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and give to the system that vigor and energy which breed and grow steeper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the ordinary ailments of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, unaltered, does the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of fraud. Many eminent Clergymen and Physicians have lent their names to certify to the public the reliability of my remedy, while others have sent me the assurance of their conviction that my Preparations contribute immediately to the relief of my afflicted patients.
The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:—
Constipation, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from indigestion, Nervous Debility, Female Complaints, the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Obstructive Diseases which require an evacuant Medicine, Scrofula or King's Evil, and all other complaints arising from a low state of the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.
Do not be put off by unprincipled dealers with some other pill they make mere profit on. Ask for AYER'S PILLS, and take nothing else. No other thing can give you compare with this in its intrinsic value or curative power. The sick want the best and there is for them, and they should have it.
