Mercantile Summary.

WE hear of the death, in Paris, France, of a formerly well-known merchant of Montreal, Mr. Adolphe Roy, aged 74.

DURING the past week, says a telegram from Nelson, B.C., the Hall Mines, Limited, exported two cars of bullion over the Crow's Nest Pass Railway, the value of which exceeded \$40,000.

YEAST—"I understand that seats in the New York Stock Exchange are now selling at \$33,000." Crimsonbeak—"Yes, and they are almost as hard to get as one in a street car."—Yonkers Statesman.

THE share market was very active in the West during the past week. Crow's Nest coal again took the lead, and has advanced \$12 per share during the week. The highest price paid was \$53 on Saturday last.

MR. H. CORBY, M.P., of Belleville, proposes to erect an elevator in that city with a capacity of 500,000 or 1,000,000 bushels, if arrangements are made for North-West grain to be carried via Midland and Lindsay.

A SUMMARY of the operations of the Hall Mines, Limited, for the four weeks ending 27th January, 1899, is thus given: In 22 days', six hours' smelting, 2,727 tons of ore were smelted; yielding 69 tons copper, and 39,250 ozs. silver.

THE Atlantic steamship "Gaspesia," about whose position some anxiety has been felt, was reported on Monday last caught in the ice jam in the Gulf of St. Lawrence, about which she has been drifting for ten days. It would seem, by the bye, that this new route from Milford Haven to Paspebiac (which is declared to be "a harbor open all the year round"), has some drawbacks, as to ice in winter, which were certainly not mentioned, if they were not specifically denied, by the promoters.

LEAVING Thornton in 1895, where he had done a tailoring business, James A. Riddle went to Elmvalle. Since then he has been very inattentive to business, and has been sued several times. Eventually he has assigned.—Another assignment is that of C. H. Reynolds, dentist, at Strathroy.—There has been a dispute between the members of the firm of Kahnert & Herud, furriers, in this city, and E. R. C. Clarkson has been appointed receiver, and the stock is to be sold next week.

A DEMAND of assignment has been made upon P. Neveu & Co., grocers, at Lachine, Que., against whom there has been a pretty constant record of suits. They owe \$1,500, or thereabout, in all.—Paul Pouliot, undertaker, etc., Levis, Que., has assigned.—Fred. Loranger, has been a general merchant at Cap Magdelaine for a dozen years past, but his record has not been marked by success. A well-meaning man, he has been easy going in the matter of credits and collections. Some years ago he was reported in trouble, and now he has assigned, doubtless the result of rather frequent suits.

R. G. RELYEA, a transient dealer in bankrupt stocks, at present of Cornwall, Ont., and who has hitherto done business at Smith's Falls, Carleton Place, and elsewhere, has assigned. A judgment in favor of a Toronto house was recorded against him a few days previous.—Mrs. J. W. Agret, an Ottawa milliner of some years' standing, has assigned.—M. Shea & Co., dry goods, etc., Pembroke, Ont., reported last week as offering 40 cents, have since assigned.

Montreal, Feb'y 6th, 1899 Secretary.
