**British American
BUSINESS COLLEGE,
112 & 114 King St. West,
TORONTO.**

The natural resources of Canada are equal to those of any country in the world; and the time must soon come when she will be one of the great commercial nations. The tide of emigration is setting strongly towards our shores, and the next decade may see the present population of our country nearly doubled. Our industries, mercantile and manufacturing, must grow enormously; and the demand for young men and women, well-trained in business habits and customs, will increase proportionately; therefore

GIVE YOUR SONS A CHANCE

Young Men, get a Business Education.

The British American Business College is the leading commercial school in the Dominion. Its location is in the business and educational centre of this Province. Its staff of teachers and lecturers are thoroughly capable business men. The course of studies has been specially arranged to give a sound commercial training. Every subject in the course is taught by men who make these subjects specialties. ARITHMETIC, BOOK-KEEPING, PENMANSHIP, CORRESPONDENCE, & COMMERCIAL LAW are each thoroughly taught. In addition, every student, after getting a thorough course of training in Arithmetic and Theoretical Book-keeping, is required to pass a rigid examination, and, if found competent, is put into actual business, where he engages in actual transactions independently, buying, selling, sending away and receiving goods on commission and joint account, taking and giving notes, banking, etc. In fact he enters a miniature business world; and under the direction of a competent tutor he must transact almost every kind of business, keeping his books for the same in the most modern style. Each in turn has to become a bank manager, doing with his fellow students all kinds of business, just in the same way as in the real banks of the country. Many of the best accountants and book-keepers in the Province have been trained in this institution. The President is thoroughly acquainted with the commerce of this country, and is in a position to do much in aiding worthy students to places of trust.

We most cordially invite any who wish to get a business education, to come and see this school, which has lately been handsomely re-furnished.

Address THE SECRETARY and get our last Annual Circular.
