TECHNICAL EDUCATION.

The Coachmakers' and Coach and Havness Makers' Company have offered the following prizes for competition among persons engaged in the trade of coachmaking, being masters, foremen, workmen, or apprentices—viz., for freehand or mechanical Crawing applicable to carriages, or parts of carriages, or the ornamentation thereof :-1st prize, the company's silver medal and £3; and 2nd prize, the medal and £2; and ciality. for peactical mechanical-1st prize, the silver medal; and 2nd prize, the bronze medal, each prize being accompanied by the company's certificate. The awards will be made by the Science and Art Department, South Kensington, at the examinations held throughout the country. The company offer, in addition, three prizes, given by Mr. Holmes, the master, for drawing of carriages, or parts of carriages, to the scale of one inch to the foot. The freedom of the City and of the company will be presented to such successful candidate as the judges may recommend to the court as having distinguished himself sufficiently to entitle him to such an honor, upon his satisfying the court as to his general moral character. The drawings for competition are to be sent to the Company's Hall in Noble-street, before the end of next month, so that the prizes may be awarded upon the 1st of May, and the best drawings exhibited in the International Exhibition. The judges are the masters and wardens and three past masters.
