From the Stayner Sun. There are few people in Simcoe County who do not know Mr. Thos. Furlong. For twenty-eight years Mr. Furlong has been a resident of the county, and for twenty-five years has been a travelling agent and an auctioneer, and it is safe to say that he is just as popular as he is well known In a business of his kind Mr. Furlong is naturally exposed to all kinds of weather, and the result has been that for some years past he has been badly crippled with rheumatism and has suffered great pain and inconvenience. Happily, however, Mr. Furlong has found a release from his suffering, and, his recovery has excited so much interest in and about Stayner that "The Sun" determined to secure the particulars of his cure and give them for the benefit of others. When seen with regard to the matter, Mr. Furlong expressed the greatest willingness to make public the particulars of his cure in the belief that it might be of benefit to some other sufferer,

"You are of course aware," said Mr. Ferlong, "that my calling subjects me to more or less inchement weather, and this was the main cause of my suffering. The coal is found at the edge of Furtle Some nine years ago I first felt the Mountains about five miles south of symptons of rheumatism. I did not pay much attention to it at first, but Cheese factories are the order of the me, but without giving me any relief.
During a part of the year I was bed-fast for weeks at a time and as the remedies
I tried did me no good I began to believe that there was no cure for me, and You will realily understand how despondent I was. To add to my distress I became afflicted with sa t-rheum of the Lands, and had to keep my hand covered with cloths from one year's end to the other. I had read of srme remark-Dr. Williams' Pink Pills for Pale Peo-ple, and at last I made up my mind to try them, though I must admit that it was with a doubting heart, for I had spent a great deal of money for other medicines without obtaining any benefit. However, they say that a drowning man will clutch at a straw, and it was with much of this feeling that I purchased the first box of Dr. Williams' Pink Pills Before that box was all sone I experienced some relief which warranted me in continuing the treat-ment, and from that out I steadily progressed toward complete recovery.

I have used in all eight boxes, with

the result that I am to-day free from Pain and ache, and not only did Pink Pills reheve me of the rheumatism, but they also drove out the salt-rheum, and as you see to-day the hands which had been covered with cracks, fissures, and ecal s are now completely well. This splendid result is due entirely to the use of Dr. Williams' Pink Pills, and you may be sure that it gives me the greatest pleasure to warmly recommend them to

Dr Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, Partial paralysis, locomotor ataxia, St. Vitus dance, nervous headache, nervous prostration and the tired feeling there-from, the after effects of la grippe, diss depending on humors in the blood, be as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale and sallow complexions, and are a specific for the troubles peculiar to the temple system and in the case of men. and sallow complexions, and are a spefemale system, and in the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature.

These Pills are manufactured by the Williams' Medicine Company, Brockville. Ont., and Schenectady, N.Y. and are sold only in boxes bearing the firm's trade mark and wrapper, 50 cents a box, or six boxes Pink Pills for Pale Peope, and refuse all mitations and substitutes.

Dr. Williams' Pink Pills may be had all druggists or direct by mail from br. Williams' Medicine Company, from either address. The price at which lese pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

LITERARY NOTICES.

Amorg the various periodicals published for different purposes, there is one which especially merits the perusal our holy religion should flourish among has made its appearance for the present year. This annual is issued in the in-terest of st. Joseph's Seminary and the piphany Apostolic college These are institutions at Baltimore, Md., and designed to furnish trained missionaries pastors to the large colored population in the Southern States. The large number of these people yet outside the true fold make it a matter of solicitud. de to the earnest Catholic, who remembers the desire of our Saviour that the Gospel should be preached to every creature. There are many souls among he negro race, that have the proper dispositions to become devout Catholics, but who for the want of zealous priests remain ignorant of the faith. There re young men, who if enabled to recoive the necessary education for enterthe priesthood are willing to devote themselves to the negro missions. The Colored Harvest" which is filled with instance. instructive reading, gives an opportunity the well disposed to contribute to the education of such youths. By subscribing to it you become an affiliated member of St. Joseph's society of the Sacred Heart, and as such participate in all good works of its members. The anal subscription is but 25 cents. The Rosary Magazine for December is especially attractive. Among other good tnings, the first part of a paper, written by Margaret E. Jordan, on the New York Founding Asylum, is offered beautifully illustrated. Father Kennedy, O. P. S. T. L., contributes an article on "The Redemption of Fallen Man by Jesus Christ." Father Kennedy, O. P. rheum-An Experience of Interest to continues his meditations on The Sorrows of Mary. Eugene Davis, takes his readers on a jolly tour through "The Carberies of Cork." Jerome Frant wil continue to brighten the pages of The Rosary. M. E. H.'s poem. "To a Blind Singer," is the choicest bit we have seen in print for a long time. Mary M. Mel-ine, whose pen will now be silent forever more, roncludes an article on "Don John of Austria." Altogether the Dec-ember Rosary is well worth purchasing. Single copies 20 cents. One year \$2.00. Address, The Ros dry, 871 Lexington avenue, N. Y.

The Christmas number of the Cana dian magazine reaches a standard of excellence which does honor to the name "Canadian." It is full of excellent seasonable reading matter, and is well illustrated. This number contains an able exposition of the "Manitoba School Question" from the pen of Mr. W. S. Ewart of Winnipeg. The sketches "Down the Yuken" are decidedly wellwritten and interesting, and the stories contained in the number make excellent reading for Christmas.

W. H. Comstock, Brockville, Out.

Dear Sir,—Your 'Dr. Morse's Indian Root P list are the best regulator for the system that humanity can uss. Life is as the time piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is the result?—at first, only a slight difference is perceptible in its time-keeping, but wait you; as the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire works. So it is in human life—a slight derangement is neelected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little trouble, becomes almost fatal. To prevent this, I advise a'l to purify the system frequently, by the use of Morse's Pills, and so preserve v.gor and vitality.
