

What Paper Shall I Take?

1894

HERE is no excuse for any home, be it ever so humble, not being provided with good literature now-a-days. Good reading matter is essential to good living. Nothing indicates more markedly the progress of this age than the great quantities of magazines and periodicals which are delivered through the Post Offices of every city, town, village and hamlet at such low subscription rates. What would your grandfather have thought of Massey's ILLUSTRATED at fifty cents per annum? Popular—entertaining—instructive, it gives the most for the least money of any magazine published. Sample copy of MASSEY'S ILLUSTRATED sent free. Special features in the Christmas Number. Drop us a post-card. Our Subscription Agency offers

ALL PERIODICALS AT GREATLY REDUCED PRICES.

Any one sending us 50 CENTS for a year's subscription to Massey's ILLUSTRATED may, by sending the subscription through us, obtain any one of the periodicals named below for one year also, at the greatly reduced price quoted opposite each. See examples below. Our club prices are in most instances less than cost to us. Note them. If you want the Toronto Weekly Mail, or any other paper not on our list, drop us a post-card for price of same.

N.B.—When MORE THAN ONE periodical in the list is wanted (because our club prices for many periodicals mentioned are below cost to us) to the prices of those marked thus*, 25 cents must be added, and those marked thus†, 15 cents must be added. All others may be ordered at prices quoted. Postage is prepaid in every instance. Send in subscriptions early and avoid delays incident to the great rush of business at the first of the year.
