

**ATTACHMENT 1**  
**SCHEDULE OF ROUTES**

**Section I**

The following route may be operated by the airline designated by the Government of the Hellenic Republic:

Points in Greece -----	Intermediate Points(4) -----	Points in Canada (7) -----	Points Beyond(4) -----
Any point or points	New York Boston Chicago	Montreal(6) Toronto (3)(5)	New York Boston Chicago

- (1) Any point or points specified above may be omitted on any or all services but all services shall originate or terminate in Greece.
- (2) All traffic rights shall be exercised only by the designated airline and shall not be leased or subcontracted.
- (3) Service to Toronto shall be subject to the special conditions related to exemption from the moratorium on access of new foreign carriers to the Lester B. Pearson International Airport as set out in the Aide Memoire "Access to Toronto International Airport by Foreign Carriers" dated October 31, 1983 and issued by the Department of External Affairs of Canada.
- (4) Fifth freedom traffic rights shall not be exercised except between Montreal and Boston or between Montreal and Chicago. Fifth freedom traffic rights shall not be available until the airline designated by the Government of Canada implements any of the fifth freedom traffic rights granted to it under the Agreement.
- (5) Fifth freedom traffic rights shall not be exercised on any routing that includes services at Toronto.
- (6) The designated airline of the Hellenic Republic may exercise stop-over privileges at Montreal which shall not exceed fifteen days.
- (7) For the purpose of Article IX (5) of the Agreement, the designated airline shall be entitled to operate a minimum of two flights per week in each direction with its own equipment.
