

## Questions

4. For the Ministers of Justice and staff, the following amounts were paid with respect to travelling expenses for the fiscal years shown below: 1964-65, \$8,729.33; 1965-66, \$6,724.07; 1966-67, \$2,316.86; 1967 to Oct. 31, \$1,530.17.

All travelling was on government business. No record is maintained of the purpose of the individual trips.

5. None.

6. No.

Note: Since the Royal Canadian Mounted Police, Canadian Penitentiary Service, National Parole Board, investigation and research (Combines Investigation Act) and bankruptcy branch no longer fall within the administrative responsibility of the Minister of Justice, the information supplied above does not include information respecting these services.

\*C.B.C. COVERAGE OF EXPO AND  
PAN-AMERICAN GAMES

Question No. 693—**Mr. McIntosh:**

1. What were the total direct and indirect costs of the C.B.C. preparations and coverage of the Pan American games in Winnipeg, Manitoba?

2. What personnel, facilities and equipment from C.B.C. maritime region were made available to assist in the C.B.C.'s network and local coverage of the Pan American games in Winnipeg?

3. How many days in advance of the opening of the Pan American games in Winnipeg were personnel from the C.B.C. maritime region authorized to proceed to Winnipeg?

4. Has the C.B.C. purchased any equipment since January 1, 1966 from funds specifically designated for centennial productions or centennial coverage?

5. (a) What was the estimated capital cost by the C.B.C. for its structure and facilities at the Expo site (b) what are the actual expenditures to date (c) what are the actual direct and indirect expenditures to date by the C.B.C. for the operation, administration, maintenance and production costs of its broadcasting centre at the Expo site?

6. Is the C.B.C. or any agency of the government undertaking any studies or investigations related directly to expenditures made by the C.B.C. leading to the construction of new buildings in Montreal, Toronto and Vancouver?

[Translation]

**Mr. Albert Béchard (Parliamentary Secretary to Secretary of State):** Mr. Speaker, since the answer to this question covers a page and a half, I would ask that it be considered as read and printed in *Hansard*.

**Mr. Speaker:** Agreed?

**Some hon. Members:** Agreed.

**Mr. Béchard:** I am informed by the C.B.C. as follows: 1. The C.B.C. was host broadcaster [Mr. Trudeau.]

and exclusive production agent for the Pan American Games. As such, it was required to assume responsibility for not only television and radio of all athletic events, many of which occurred simultaneously and at widely scattered venues, during the period of the games. The C.B.C. was also required to provide production facilities and staff assistance to foreign broadcasters. This work resulted in the production of 62 hours of television programming to Canada, United States and Mexico in English, French and Spanish; and of 233 hours of radio in many languages to all of the Americas, the Caribbean and parts of Europe and Africa. The financial requirements of so doing were as follows: direct costs of production—\$587,000; the use of staff and other regular overhead items when applied to the games on a standard rate basis—\$362,000; and the provision of temporary technical and production installations to meet special demands—\$307,000.

2. No facilities or equipment from C.B.C. maritime region were made available to assist in coverage of the Pan-American Games. Eleven TV technicians from Halifax, one radio technician from Moncton and one program clearance officer from Halifax were assigned to Winnipeg for various periods.

3. The 11-man technical crew from Halifax was part of the corporation's pool of personnel organized to cover major centennial events across Canada. Their involvement in the Pan-American Games was planned before the beginning of the year and they were in Winnipeg from July 26 to August 8. The radio technician was in Winnipeg from July 16 to August 8 and the program clearance officer was in Winnipeg from July 1 to August 10. Actual travel dates would have been finalized approximately three weeks in advance.

4. No.

5. (a) \$9,858,000 exclusive of provincial sales tax. (b) \$10,191,000 inclusive of provincial sales tax. (c) The cost of operating the International Broadcasting Centre was approximately \$6,000,000. Under the corporation's terms of reference, these facilities were available to all users without charge.

6. Yes.
