3. The criteria for determining which ethnic newspapers will receive government advertising are dependent on the communications objectives of each advertising campaign and, therefore, could vary widely from one campaign to another. In the selection of media, consideration is given to the specific public reached, geographic location of that public, the frequency and timing of publication. Advertising campaigns of a national nature would normally employ all ethnic newspapers whose publication dates were appropriate.

MR. K. R. BUNCE

Question No. 1,509—Mr. Cossitt:

1. What is Mr. K. R. Bunce's employment history in the government?

2. (a) Did Mr. M. J. Cardinal, Director of Personnel Administration, write a memo to Mr. S. Rubinoff, Assistant Deputy Minister, Department of Finance, dated November 14, 1977, marked confidential and, if so, did it state in part: "As you are aware, the transfer of functions of the Guaranteed Loans Administration section has an effective date of December 1, 1977. In view of the fact
