

*Mr. Winkler*—On Monday next—INQUIRY OF MINISTRY—1. Are the arrears in Soldiers' Settlement payments relatively greater in the drought areas of the Prairie Provinces than elsewhere?

2. Are there any special areas in other provinces—British Columbia, Ontario, Quebec or the Maritimes—where crop failures have comparably restricted the ability of the soldier settlers to meet their payments?

3. What areas in the three Prairie Provinces have been most seriously affected by drought in the past seven years?

4. In view of the inability through crop failures of many soldier settlers in the drought areas to avail themselves of the dollar for dollar bonus scheme, does the Government propose any measures to assist settlers to overcome their burden of arrears, (a) by continuation of the bonus after March 31, 1938; (b) by other remedial legislation?

*Mr. Martin*—On Monday next—INQUIRY OF MINISTRY—1. What portion of the expenditure made by the Dominion Government during the years 1929 to 1936 inclusive at the port of Three Rivers, Quebec, were spent in the development of the site leased to the Three Rivers Grain and Elevator Company Limited?

2. What rental does the Government receive from the Three Rivers Grain and Elevator Company Limited?

3. What expenditure was made by the Dominion Government in developing the site at Sorel, Quebec, leased by the Government to North American Elevators Limited?

4. What rental does the Government receive from North American Elevators Limited for such site?

5. What quantity of Argentine corn arrived at the elevator of the Quebec Harbour Commission at Quebec City between September 25, 1936, and December 31, 1936?

6. What grain firms were the importers of such corn and at what rate or rates was storage charged and collected for the period such corn remained in store in the said elevator?

7. What has been the expenditure at the Ports of Windsor, Sarnia, Goderich, Owen Sound, Collingwood, Midland, Ontario, and Three Rivers, Quebec, for the years 1922 to 1936 inclusive?

8. What are the quantities of corn imported into Canada in each of the years 1930 to 1937 inclusive for each of the following purposes: (a) starch manufacturing; (b) cereal manufacturing; (c) distilling; (d) other purposes, and what in each case was the country of origin?

9. (a) What were the quantities of Argentine corn imported into Canada between September 25, 1936, and December 31, 1936; (b) what were the quantities of corn arriving at each of the various ports in Canada where such corn was unloaded from ocean boats; (c) what was the highest, lowest, and average c.i.f. price of such corn?

*Mr. Lacombe*—On Monday next—INQUIRY OF MINISTRY—1. What was the production and value of vegetables in the Province of Quebec during the years 1931, 1932, 1933, 1934, 1935, 1936, and 1937?

2. What was the total value of the agricultural production in Canada during the same years?

*Mr. Neill*—On Monday next—BILL intituled: "An Act respecting Japanese Immigration."
