HAMILTON, Wednesday, Aug. 18 .winter camp at Toronto Exhibition Grounds at which 10,000 men in training for overseas duty will be quartered, has been officially announced by the military authorities, but whether Hamilton will have a hattalion quartered here at the old armories, as was Col. Ashton's command, has not yet been decided. Guelph also expects to have a battalion quarter ed there at the Winter Fair Grounds.

With regard to Hamilton, it is differ-The grounds for muster parade are so far out from the armories, where the men sleep, that the conditions are unsatisfactory, and consequently military men will probably oppose locating camp here. However, local men are in teresting themselves in the scheme, and also claim that, as Hamilton has con tributed thousands of men for active ser vice, a regiment should be stationed here.

Encourage Recruiting. The Hamilton Recruiting Associati are taking the matter in hand, as the members are of the opinion that the presence of a regiment here would con siderably encourage recruiting. The advertising publicity committee held a meeting at the armories last night, when the question of having a winter camp was considered, but no information was given out concerning what took place at the meeting, the officials refusing to talk until after a conference with Lieut. Col. Robertson. It is expected that this will be held this morning, and then it will be announced whether or not the authorities at Ottawa will be asked to establish a camp here this winter.

No Canadians on Edward.

Local military officials do not believe that any Canadian troops were aboard the Royal Edward when it was torpedoed in the Aegean Sea. It was at first feared that some of Lieut.-Col. McLaren's regiment was on board, but a cable has been received by his brother, stating that all his men are still in England.

Board to Inspect Sewer.

The board of control will inspect the sewer at the foot of Wellington street on Thursday, with a view of seeing what can be done to remedy conditions, preparatory to the establishing of a swimming beach and picnic ground. It is estimated that the work of diverting the sewerage will cost about \$1250.

Colts Split Honors.

Hamilton and St. Thomas broke even in their doubleheader here yesterday. The visitors won the first contest by a score of 5 to 3, while the locals carried off the second by the shutout route, the score being 11 to 0. Armstrong worked in both games for Hamilton and pitched splendid ball thruout, with the exception of the fourth, fifth and sixth periods of the first match, when the Saints bunched their hits and scored two in the fourth and fifth and one in the sixth. Neither team scored in the second fray until the fifth, when Hamilton went to Curtis' works and secured six runs. They got five more in the sixth on hits. St. Thomas were unable to do anything with Armstrong's offerings and did not get a man past second. The scores:

RECRUITING DEPOT FOR ARTILLERYMEN

Permanent Station at Armories Follows Col. Logie's Authorization.

TO REINFORCE CYCLISTS

Recruits for Various Branches of Service Responding Readily to Call.

The opening up of a permanent ar-tillery recruiting office at the armo-ries has been authorized by Col. W. A. Logie, the Toronto divisional commander. Capt. Ed. P. Johnston, commanding officer of the Ninth Toronto Battery, Canadian Field Artillery, has already opened the office at the battery orderly room on the second floor of the eastern half of the armories. Many men experienced in the imperial artillery in England and in South Africa have been enlisting with the infantry instead of waiting until the artillery had a call. But from now,

men desiring to join the artillery may do so by calling at the new artillery recruiting office any day from 9 a.m. recruiting office any day from 9 a.m. to 6 p.m.

On enlisting pay will start at once at \$1.85 per day, and their training in the artillery recruit class will commence. A special class will be formed for developing artillery non-commissoned officers. The whole class will then be moved to Niagara Camp to complete their training before sailing for England.
