FUNERAL OF LATE MRS. WRIGHT HELD TUESDAY

What's New in Humberstone—Whit-church Minister Talks Rectiprocity—County Doings.

WEST TORONTO, April 25.—(Special.)—The funeral services of the late Mrs. Charles Wright, held this afternoon, from the family residence, 154 Western-avenue, were attended by a very large concourse of sorrowing friends and relatives drawn from widely different parts of the city and province. With the single exception of W. J. Wright, of Ice Lake, Manitoulin Island (who was unable to reach the mainland), all the surviving sons and daughters of deceased were present at the last sad rites. They were Charles J. Jesse, G. and Edmund B., all of West Toronto, and H. A. of Winnipeg. The daughters were Mrs. J. C. Wagner, of 1 Brighton-place, and Mrs. W. B. Chamberland, of 130 Indian-road.

From the family residence the remains were taken to St. John's Anglican Church, where a short service was conducted by Rev. Beverly Smith, and later interment took place in the family plot in Prospect Cemetery. Here the services at the graveside were in charge of Rev. Mr. Seaborn, of St. Mark's, assisted by Rev. Mr. Smith.

The late Mrs. Wright was the last surviving sister of the late John Tackery Bance, for 10 years editor and part proprietor, associated with Sir John Jaffray, in the management of the Birmingham Post.

and Mrs. E. P. Doane, Mrs. Chamberland and daughter, Mrs. and Miss Cherry, Mr. and Mrs. Frank A. Noden, Mrs. and Miss Kline, Mrs. Norman Barrett, Mrs. Monks and family, Bert and Minnie Wright of Winnipeg, John Orr, William and Margaret MacDonald, G. W. P. Hood, Mr. and Mrs. J. Doane, Mr. and Mrs. B. H. Cunningham, Mr. and Mrs. George, Mr. and Mrs. Trott, Mrs. Davies and others.

The greatest sympathy was manifested for the aged partner, Mr. Charles Wright, who was able to take part in the sad rites accompanying the remains to the church and cemetery. The funeral arrangements were in charge of Mr. Speers.

A new and what may eventually grow to be an important society, which will have for its chief object the discussion of questions likely to injure British influence in Canada, and designed primarily to stir up Britons settling in Toronto, to take a livelier interest in the preservation of British customs, is in process of formation.

The pall-bearers were W. B. Chamberland, J. C. Wagner, John Edgecombe, Edward Doane, William MacDonald, and George Edgecombe. The floral offerings were marked by exceptional beauty and profusion, and among those who so kindly voiced their appreciation of the deceased were Samuel Ryding and family, the Edgecombe family, J. G. Wright's class, Mr. and Mrs. Morfich, Mr. and Mrs. E. E. Doane, David and Mrs. Donley, Mr.

officials from western Canada. A large number of members were present.

COURT DAVENPORT NO. 1, AND COURT NO. 1283, L.O.O.F., held their regular meetings to-night in the lodge rooms of St. James' Hall. Initiation of new members was the special business in connection with both.

NEW TORONTO. Barn and Contents Destroyed During the Night.

NEW TORONTO, April 25.—(Special.)—Fire at an early hour this morning destroyed the barn belonging to James Douglas, a short distance to the east of this village. Together with the buildings were four cows, and altogether the loss will amount to about \$500, on which there is said to be little insurance. No cause can be assigned other than the work of an incendiary.

LEMONVILLE. Correspondent Says Preacher Is Strongly in Favor of Rectiprocity.

LEMONVILLE, April 25.—(Special.)—Rectiprocity is all the rage here. Every person is talking about it. Rev. W. Walker, pastor of the Methodist Church here, is preaching a series of sermons on it. The farmers here are all pleased with the deep interest the reverent gentleman is taking in their financial interests. In his sermon on the 23rd inst. he strongly advised the farmers to grow barley, as he was sure they would realize one dollar per bushel for brewing purposes in the United States when we get the duty taken off. They evidently do not get enough beer over there. We will grow the barley for them if they are "short" on beer. Of course some temperance cranks over there may kick, but we farmers all believe that the reverent gentleman's advice is good. There are a few people here who think that rectiprocity should not be preached from a pulpit, but this is an age of progress and what a minister of the Gospel says must be all right, as it is inspired.

As a result of the sermons and in anticipation of the good times coming we notice that the collections are very much larger.

ELIA. Former Well-known Vaughan Township Man Dies in Chicago.

ELIA, April 25.—(Special.)—The funeral services of the late Robert Baxter, held here a few days ago, recalled the most kindly memories of the late "Bob" Baxter, as he was known all over Vaughan Township, prior to his removal to Palestine, Ill., U.S.A., and later to Chicago, where his death occurred. Deceased was a member of Patterson Lodge A.F. A.M., when living in Vaughan, and press reports from Palestine and Chicago indicate that he continued his interest in society and athletic work in the land of his adoption. The many friends of the late Mr. Baxter throughout York County will learn with regret of his taking off at the early age of about 45 years.

Labor Men Firm in Belief of McNamara's Innocence.

Labor men continue to denounce the arrest of McNamara and his colleague in connection with the Los Angeles Times disaster.

"We are prepared to go to the limit in defending the secretary-treasurer of our organization," declared Business Agent James Wilson, yesterday, "against the unjust treatment handed out to him by the United States authorities."

Mr. Wilson is the business executive of the structural iron workers. He declared that McNamara always acted with the greatest prudence, and preached peace even against great odds. "It's only a scheme to destroy our organization," he said, "but it won't work."

William Glockling, president of the trades and labor congress of Canada, is of the opinion that if necessary, the unions could easily raise a million dollars for the defence of the accused secretary.
