Damages for a Collision.

Judgment was handed down yesterday by Judge McDougall in the Admiralty Court suit brought by the owners of the schooner J. F. Card, an American schooner registered at Detroit against the steamship Hilawatha, also an American vessel registered at Cleveland, for damages sustained by the schooner in a collision.

The collision occurred 12 miles southeasterly from Thunder Bay light in Lake Huron in American waters on May 12, 1900, in thick, foggy weather. The action was tried at Sandwich. The judge found that the schooner, as well as the steamer, was running at an immoderate rate of speed, and, therefore, the schooner can only recover one-half the damage she sustained.

If the parties do not agree upon the amount of damage, the same will be decided by the court after hearing evidence.

Year in the Mercer.

Frances Tyndall, the girl who stole 13 bleycles, was yesterday sent to the Mercer Reformatory for one year. Six East End men, charged with assaulting Mounted Constable Ward on Dominion Day, were remanded till Tuesday. The Health Department's prosecution of James Harris, for carrying on an alleged offensive business, was adjourned for a week. The Crown withdrew the receiving charge against Theodore Morphy, accused of receiving money and tickets stolen from the Toronto Railway Company. Michael Tobin, for stealing \$6.30 from Thomas Mearry, was given 90 days in jail. Wilfrid Cuttle, a soldier at Stanley Barracks, pleaded guilty to stealing a pair of boots, two watches and a chain from Edward McCausland, He was remanded for sentence.

Excursion to Halifax Arrangements for the annual meeting of the Canadian Manufacturers' Association at Halifax in August are being hurried to completion. The C. P.R., Grand Trumk Radiway and the Richelieu and Ontario Navigation Co. are offering the delegates special reduced rates. The fare from Toronto to Halifax on the raliways will be \$23.65, while by boat it will be \$5 extra. Return tickets to Halifax from all points in Canada will be issued at single fare. A side trip from Halifax to Sydney has also been arranged. The return fare between these two points will be \$2.25. Judgment Was Reserved.

Judgment Was Reserved.

In the Surrogate Court yesterday afternoon Judge McDougall reserved judgment upon an action arising out of the alleged defalcation of the late G. W. Badgerow, at one time County Crown Attorney.

Thomas Clark of York Township left \$5000 in the hands of Mr. Badgerow, to be invested, but which, it is alleged, he appropriated to his own use. Now on the death of Mr. and Mrs. Clark, the children are seeking to recover the amount from the executors, alleging that they acted negligently in allowing the money to be appropriated from the estate.

The case has been before court for some time in various forms.

The Medal Described.

The bronze medal to be awarded to the Paris heroes is a very handsome thing. It is delicate in design, nearly as large as a silver dollar. The name of the recipient is engraved on one side, together with the date and details of the affair for which the same is awarded. On the reverse side the medal shows the royal crown beneath which are the words "Royal Canadian Human association by Her Most Gracious Majartical of the highest degree of courage the world over.

Bonus to Bank Employes.

The directors of the Dominion Bank, having had an exceptionally good year, have determined to recognize in a substantial manner the services rendered them by their large staff of employes, and they have therefore granted them a bonus of 15 per cent. on their yearly salaries, from the general manager down to the junior clerk. This is a step in the right direction, and The World would be glad to see other banks follow the example set by the Dominion.
