Where to Go for a Vacation.

District Passenger Agent McDonald of the Grand Trunk has just returned from a visit to the charming Ontario resorts of Muskoka, Lake of Bays and Algonquin Park, and also made a trip to Kawartha Lakes, and reports that hotels and boarding-houses are rapidly filling up and all indications point to a splendid season. If visitors to To-ronto, and even Torontonians, only realized what delightful places there are in the Highlands of Ontorro and are in the Highlands of Ontario, and how early accessible they are by the splendid service of the Grand Trunk Railway System, many more extra trains would be needed.
