#### DO NOT BE HUMBUGGED.

MORE THAN EVER

Dishonorable and disreputable pharmaceutical concerns are flooding the market with cheap and worthless preparations designed to be imitations of "Dr. Fow-LER'S EXTRACT OF WILD STRAWBERRY."

Some of these are even labelled "Extract of Wild Strawberry," " Wild Strawberry Compound," etc., in the hope that the public may be deceived and led to purchase them, thinking they are getting the genuine "DR. FowLER'S."

Are you willing to risk your health— perhaps your life, to these no name, no reputation, likely dangerous, so called Strawberry Extracts?

For sixty-five years "Dr. Fowler's EXTRACT OF WILD STRAWBERRY" has been used in thousands of families for Diarrhea, Dysentery, Colic, Cramps, Summer Com-plaint, Cholera Morbus, Cholera infantum and all Bowel Complaints.

Do not let the dishonest or unscrupulous dealer humbug you into accepting one of these cheap substitutes, to the deteriment of your health

and gain to his pocket. Ask for " Dr. FowLER's " and issist on getting what you ask for. Manufactured morning for a two weeks' trip to Duonly by The T. Milburn Co., Limited, Toronto, Ont. Price 35 cents

W. R. Newell Says Thousands of Them in Toronto Are Among the Lost.

W. R. Newell included the Baptist professors in his strictures at Knox Church last night. The doctrine of evolution, he declared, was faise, no matter what the professors of Victoria or McMaster Universities might say; 'This little German breeze," he said, 'coming by way of Scotland, does not amount to as much as a dead fly. The word of God will live after all these

little professors are dead." While vigorously arraigning the higher critics, Mr. Newell went so far

Evolution is an enemy of God, spit-ting in the face of the Deity." The service closed with a testimony neeting conducted by J. R. Dean, who said that he was a believer in evolu-tion for a long period, but about six years ago he saw that it was not in accordance with the word of God.

A BROKEN-DOWN SYSTEM. This is a condition (or disease) to which doctors give many names, but which few of them really understand. It is simply weakness—a break-down, as it were, of the vital forces that sustain the system. No matter what may be its causes (for they are almost numberless), its symptoms are much the same; the more prominent being sleeplessness, sense of prostration or weariness, depression of spirits and want of energy for all the ordinary affairs of life. Now, what alone is absolutely essential in all such cases is increased visiality—vigour— VITAL STRENGTH & ENERGY to throw off these morbid feelings, and experience.
