ASK REORGANIZATION OF RAILWAY BOARD

Controllers Decide to Send an Appeal to the Provincial Government.

POLICE SEEK INCREASE

At the suggestion of Mayor Church the board of control, unanimously adopted a resolution yesterday calling upon the provincial government to reorganize the railway board. In the course of his criticism of the railway board, Mayor Church seemed to suggest that the city's legal department had been lax in pressing the city's claim for more street cars. Controller Ramsden objected to that. He said there had been no lack of vigilance on the part of the city officials. They had no way of compelling the street railway company to supply more cars if the railway board failed to force them. "But there were no results," replied the mayor warmly.

Controller Ramsden said that if the railway board had been as active in getting the order for more cars enforced as they were in preparing legislation in the interests of corporations the city would have received the new cars.

No Increased Fares.

At the suggestion of the city solicitor the board authorized the preparation of a bylaw notifying the Toronto Street Railway Company that the city would take over the railway system at the expiration of the company's franchise in September, 1921.

The Toronto district labor council forwarded a resolution passed by them urging the city to call for an investigation of the street railway company's books and to oppose the application for an increase of fares. Controller Ramsden said she board was interested only in keeping the present fares in force. No action was taken regarding the communication.

In reply to a recent communication from the board, Chief Grassett of the police department replied that the board of police commissioners were not disposed to reopen the question of the appointment of the theatrical censor. The board of control had taken the matter up at the request of the soldiers' organizations.

Municipal Airdrome.

An appeal was made to the board of control yesterday by the Aero club of Toronto for aid in establishing a municipal airdrome in Toronto. Both landing stations near the city, they pointed out are now controlled by private companies. Aviation was rapidly developing and the city should have a station at the disposal of training airmen. Fifteen acres of the waterfront property was suggested as the most suitable location. The board told the deputation that the question would be discussed with the harbor board, and an answer given within a week.

Printers Want Revision.

A deputation of printers representing Carwell Co. Ltd., and Noble Scott Ltd., asked for a revision of the three years contract obtained by them one year ago to handle certain city printing. They contended that wages had advanced 46 2-3 per cent, and materials 62 1-2 per cent, since the contract was made and they were therefore losing money. The matter was referred to the city clerk for a report.

An appeal was made by John Macdonald and others for a usual grant in aid of the open air horse show. They were assured that something would be done.

Annexations Discussed.

A deputation headed by John Harris waited on the board and asked for an early decision on his and other annexation appeals from the North Danforth and Todmorden districts. He suggested that the city seriously consider the annexation of the strip of York township lying south of Cronyn and Sammon avenues right thru to the Scarborough line. Mr. Harris

Pains About the Heart

ANY derangement of the heart's action is alarming. Frequently pains about the heart are caused by the formation of gas arising from indigestion.

Relief from this condition is obtained by the use of Dr. Chase's Kidney-Liver Pills.

Chronic indigestion results from sluggish liver action, constipation of the bowels and inactive kidneys.

Because Dr. Chase's Kidney-Liver Pills arouse these organs to activity they thoroughly cure indigestion and overcome the many annoying symptoms.

Dr. Chase's Kidney-Liver Pills

was told that a special committee was now working on this matter and would probably have a report ready for the board next week.

Appeal from Policemen.

A deputation of police constables appealed to the board to make the recent increase of \$100 a year effective from January 1 last. As the matter stands the increase becomes effective on July 1st. The granting of the request would be an additional expenditure of \$25,000.

Controller Cameron expressed the opinion that the board of control had nothing to do with the question. It was a matter for the police commissioners to deal with. Chief Grassett said the increase would have been granted had they not been told by Commissioner Brughaw the funds were not available. The request will be considered.

The board decided to offer a reward of \$1,000 for information leading to the apprehension of the person responsible for the death of C. A. B. Brown who was hit by a motor car a few weeks ago.

Plays, Pictures and Music

"Daddy Dimples"—Robins Playoffs. Seats are on sale today at the Royal Alexandra Theatre for next week's attraction, "Daddy Dimples," the brand new play, which was written by two of the foremost authors in America, George Barr McCutcheon and Earl Carroll, for Edward H. Robins, who will next season star genial Tom Wise in it.

Edward H. Robins has given the new play a superb scenic setting true to detail in every respect. This scenery, after being used for the local presentation, will be sent to New York and used there when the play is given its metropolitan showing early this coming fall.

While "Daddy Dimples" is looked upon as one of the most beautiful stories or plays ever presented by the local company, a play with one of the most beautiful love stories ever told, it is essentially a comedy, for there is just the right blending of laughter to relieve the heart throbs which are natural to the play. When a man has a family of seven children and happens to be a bachelor, there is bound to be talk, likewise humorous situations are sure to arise. "Daddy Dimples" is at the head of a family of seven, and he is a bachelor. The matinee will be as usual on Wednesday and Saturday.

"Father and the Boys." That Edward H. Robins is setting a record that will take a lot of beating is evidenced from the names of the famous authors associated with this season. George DuMaurier, George Barr McCutcheon, Earl Carroll, and for the week of June 21, America's most famous modern humorist, George Ade, author of "Father and the Boys," the comedy offering for that week, with Tom Wise in the leading role.

"The Birth of a Nation." David Wark Griffith, who started the world with his wonderful film, "The Birth of a Nation," is a native of Kentucky. He began his public career as an extra actor in a Louisville stock company. He also studied grand opera and became interested in pictures as a scenario writer, but in his technical side of the work fascinated him. In less than three years from his first entrance into a motion picture studio he was the promising figure of American directors. His numerous inventions and his wonderful judgment soon placed him at the forefront of the ranks. He is recognized as the greatest director of motion picture productions in the world today. He has gained this eminence in seven years and commands the largest salary ever paid a director of any amusement enterprise on this continent. "The Birth of a Nation" is to be given a revival at the Grand Opera House next week, with a matinee every day.

At Loew's Next Week. "The Fear Market," a wonderful story of New York society life, featuring the dramatic star of the screen, Alice Brady, and Larry Semon, in his latest comedy concoction, "Solid Concrete," will be the outstanding picture features at Loew's Yonge Street Theatre and Winter Garden next week. "On Manila Bay," a masterpiece of electrical panoramic ingenuity, headlines the vaudeville, which also includes: Gehan and Gehan, equilibrist; Moore and Fields, jazz boys; Alf Ripon, Scotland's premier ventriloquist; Gene and Maudette, pianists; and Tasmanian nettle, in eccentric originalities.

"You Art the Man"—Regent. That a considerable traffic in diamonds smuggling is going on in South Africa is revealed in the striking new Paramount Aircraft picture, "You Art the Man," coming to the Regent Theatre next week. Robert Warwick is the star, and has the role of a young English soldier of fortune in the Kimberley diamond field. He is the innocent victim of the smugglers and serves a three years' jail sentence to protect a girl. Later he vindicates himself. "You Art the Man" was adopted by Marjorie Turnhill from a novel by F. E. Mills Young. Lois Wilson is the leading woman. J. M. Dumont, Clarence Burton, and C. H. Jall.

Geldart are also included in the supporting cast. The picture is said to be one of the most striking in which Mr. Warwick has yet appeared.

Strand Theatre Attractions. "My Lady's Garter," now playing at the Strand, is a photoplay that keeps the identity of its central figure a secret until the final fade-out, and which holds the interest of the audience breathless as a consequence. The picture is a screen version of Jacques Futrell's well-known mystery-romance of the same name.

Next week the Strand will show the Paramount-Aircraft photoplay, "The Coast," based on David Graham Phillips' novel of that name, telling the story of a girl who marries a man unworthy of her love.

LARGE ACCOUNT CLAIMED.

Henry Herlick and Emil Herlick have entered action against H. A. Couze to recover \$1,154 alleged due under an account.

CITY HALL NOTES

Miss Jean Norris, a judge of the juvenile court of New York city, was a visitor to the city hall yesterday morning, and attended the meeting of the board of control as a spectator.

The city health department reports 16 cases of smallpox in the city at present. The disease is now under control.

HEAVY FINE FOR ASSAULT.

In the sessions yesterday Judge Coatsworth imposed a fine of \$750 on Joseph Burke for assaulting County Constable Scott. A charge of assault on County Constable Ford was dismissed. Accused paid his fine with a \$1,000 bill, and, scoring to wait for his change, instructed the clerk to hand same to his counsel.

A PERSISTENT DRUNK.

Bill Carey was yesterday sentenced to sixty days in jail for being drunk. His appearances before the police court magistrate on several previous occasions were responsible for the jail term.

SPANKING NOT RIGHT, SAYS MAYOR CHURCH

Farm Superintendent Asked to Stop Practice Until Investigations Are Made.

That spanking of youthful offenders at the municipal farm for first offences is not the popular method of correction is evident from a statement just made by Mayor Church, who has requested Major Morrison of the farm to temporarily refrain from having further spankings carried out. His worship has requested the city solicitor and Property Commissioner Chisholm to report on the power of judges to order spankings. He has had several complaints and threats from parents of actions for damages against the city in respect of alleged injury sustained by their boys thru spankings.

"The jail farm was established for reformation and reclamation work, and is not a prison. If spankings are to be administered it should be done on provincial property, and not on city property," quoth the mayor. Meantime the city solicitor intimates that he has nothing to say for publication on the subject.
