

# JUNE SALE

The Bride's Month is Here      The Adams' Store is Ready

The many homes which will be furnished by us during this month should exceed in artistic taste and comfort the many thousands that owe their creation to our efforts in the past.

The result of our buyers' excursions into the world's best markets for home furnishings has found us better prepared to supply those needfuls than ever before. Stocks are wonderfully complete, attractive and comprehensive.

Young folks contemplating matrimony are invited to come to our Store, go through our magnificent stocks, make whatever selections suitable, and have our estimate. Such an estimate, we believe, would be an agreeable surprise.

When we acquaint you with the liberal arrangements for extended payments that we will make, your delight will be instant.

Come and see the Bungalow Apartment House, where three and four-room outfits are shown complete from \$145 up. See the many suites in separate sections through the Store, which are shown with artistic room backgrounds, giving you the effect you would get in your home.

Let us help you with our thirty-six years' experience making cosy homes. Whether you know exactly what you want, or have no idea to guide you, in either case we can fix you up a home which you'll be proud to own. Consult us freely.
