

RONDEAU MISSION.

This Mission is situated in the county of Kent, embracing parts of the townships of Harwich and Raleigh. This Mission has passed through many difficulties, and is yet somewhat encumbered with debt; but during the year that is now closing we have been favored with some prosperity. Souls have been converted and added to the Church, and we are able to report a respectable increase. Last year there were forty members returned; this year, sixty. There are five appointments, two churches, and a parsonage. We have peace in all our borders, for which we thank God.
